

Mr. Blackhorn:

I am legal counsel to the Master Builders Assn of King and Snohomish Counties – Affordable Housing Council, and I am replying on their behalf to your email of July 24, 2017 requesting a response to a complaint.

Regarding the complaint, some reports were delayed in filing due to new staff members in the department handling compliance matters. They have diligently worked to make all reporting current, and I can confirm that all required C-3 and C-4 reports have now been filed and are complete, including the 21-day pre-primary C-4 covering the reporting period of June 1 through July 10, 2017.

On an administrative note and for your information, the PDC website indicates that the Case No. for this matter is 22598 but the “ticket number” is 22560. The attachment you provided in your email to the Master Builder also indicated No. 22560.

Thank you for bringing this matter to our attention, and please contact me with any questions.

Sincerely,

Dan Brady
