Didn't I take care of this with the last reporting? I gave the info of who donated and such with the report of June activity.

I also got a bank account started to make sure I deposited the donations received on the 7th were done before the 5 days. Now that I am aware of that requirement, I will not miss it again.

Hello Carolyn Ahlgreen,

Your case is still under assessment, we process a large volume of cases at this agency with limited staff. The complaint against you is in the queue and we will be in touch when our assessment has been completed.

For now, I can tell that I have seen that you filed a C-4 expenditure report on 6/12/2017 and 7/10/207, but I have not seen any C-3 contribution reports from your campaign.

Thank you.

What's a C3? When are they due? Is this a separate thing from the other report because you list who gave you what money in that one too?

Ok, got a C3 in with all monies taken in to date... no new monies to report!
