

To: PDC.

It has come to my attention that Steven Cox (COX STEVEN R, MAYOR, CITY OF VANCOUVER – 2017) Has violated multiple RCW and failed to document campaign contributions.

1) Steven Cox held a campaign kick off on May 4th, 2017. In his online advertisement he states this fundraiser will have a silent auction.
(See advertisement below)

If the silent auction items were received as donations to Steven Cox's campaign these items were not reported to the PDC prior to the kick off.

This is a violation of RCW 42.17A.235 as contributions must be reported to the PDC monthly. A C-4 report was never filed for this purpose.

2) Furthermore after the campaign kickoff event Steven Cox posted on social media (Facebook) the following statement: "The Silent auction was a roaring success. We had many donors contributing towards the silent auction. A big hearty thanks to all those who donated and all those who bought for the silent auctions. I wish to thank all those in attendance who also gave very generously to the campaign."

The silent auction was a roaring success. We had many donors contributing towards the silent auction. A big hearty thanks to all those who donated and all those who bought from the silent auctions.

I wish to thank all those in attendance who also gave very generously to the campaign. I thank you and ask you for your continued support and your votes.

The campaign for Steven Cox has yet to file a C-3 or C-4 report for this silent auction, no items or funds have been reported. On June 1st a C-3 report was filed which included a single contribution of \$100. Yet, Steven himself made it clear that a “generous” amount of money was contributed to his campaign and that silent auction items were a “rolling success” His campaign knowingly accepted money on May 4th and neglected to disclose contributions on this form. This is a violation of **RCW 42.17A.145** - Every report and statement required to be filed under this chapter shall identify the person preparing it, and shall be certified as complete and correct, both by the person preparing it and by the person on whose behalf it is filed. This form is knowingly false by his campaign.

I would like to add to my complaint. On the C4 form filed for the month of April Steven Cox lists the Lincoln day dinner as an inkind donation, and lists himself as the contributor. This is confusing and seems to be misreported. The Lincoln day dinner is the Clark County Republicans annual fundraiser. If Steven Cox purchased a ticket to this event with Campaign funds it should be listed as a expense not as a inkind donation, and the only amount he can spend is the cost of goods, not the full cost of the ticket price. If the ticket price was waived by the republican party for Steven's benefit then the republican party should be listed as the contributor not Steven Cox himself.
