Good afternoon,

The following was submitted by the treasurer in response to The question regarding Lincoln Day Dinner:

Steve Cox purchased the ticket to this dinner representing his campaign with his own funds (not campaign funds). The amount shown on the C4 was the amount that was paid by the candidate. In consultation with the PDC regarding this ticket purchase, the Treasurer was advised to reflect this item as an in-kind loan. The campaign believes that this transaction was properly recorded.

The Lincoln Day dinner was not representing my campaign. The dinner is a Clark County Republican Party annual event I attended with my wife as an opportunity (venue) to network and solicit votes. We were not included in the evening's agenda. The funds I used to pay for the tickets were from my personal savings.

I hope this email will be sufficient.

Sincerely,

Steven Cox
