

On May 4, 2017, Mr. Cox held his "Kick Off Fundraiser". In looking at his PDC contribution donation reporting, it appears that only 1 person has donated to this campaign other than Mr. Cox himself. I find it difficult to believe this 'fundraiser' held two months ago yielded no funds. Are donations being made directly TO Mr. Cox who is hiding donor's names and reporting as contributions under only his own name?

I am requesting the PDC to investigate for improper reporting of donations.
