Subject: Complaint regarding the Washington Teamsters Legislative League, PDC Case 20963

Dear Glen Morgan:

The Public Disclosure Commission (PDC) has completed its initial review of the complaint you filed on June 21, 2017. Your complaint alleged that the Washington Teamsters Legislative League may have violated RCW 42.17A.235 and .240 for failure to report reimbursement for an over-limit contribution.

PDC staff reviewed your allegations, and as a result of staff’s initial review, we found the following:

- On November 6, 2015, the Washington Teamsters Legislative League contributed \$950 to towards the general election for the campaign of De’Sean Quinn. As there was no primary in that election, a previous \$950 contribution made on August 1, 2015 was applied to the general election contribution limit, making the October contribution exceed the candidate’s limits.
- On April 27, 2017, De’Sean Quinn issued a refund check for the over-limit contribution.
- On May 8, 2017, the Washington Teamsters Legislative League received the refunded contribution and reported it on their C-3 filed on June 8, 2017.

Based on these initial findings, staff has determined that in this instance, the delayed reporting of the returned contribution does not amount to a material violation warranting further investigation.

The PDC has closed the matter, and will not be conducting a more formal investigation into your complaint or pursuing enforcement action in this case.
