

## Get help or information - Max Brown

[Elect Max Brown](#) reported (Fri, 3 Nov at 7:41 PM) via Portal I learned today from reading the Olympian that a complaint had been filed against me In June for improperly itemizing my holdings in my original F-1. Upon reading the story (which was my first and only notice of the complaint) I amended my F-1 to itemize the holdings and submitted it tonight. The report confirmation number is 100798647 and this report amends the report with confirmation number 100749422.

I hope this answers the complaint.
