**Thomas Bennett** reported 7 days ago (Sat, 27 May at 12:11 AM) via Portal Meta

Announced his candidacy on May 3, 2017. I told him on May 12, 2017 that he was very close to the deadline for registering with the PDC. I did not find him in the database.

This is a serious position for a serious person who can commit to contributing to something bigger than themselves. There is no money, but there is an entire city that needs YOU to help change the tides before it's too late. PLEASE SHARE THIS.
