

The following complaint is filed against Jinyoung Englund, candidate for the state senate in the 45th legislative district, and her committee Friends of Jinyoung Englund.

WAC 390-18-010 (4) states that "Printed advertising shall clearly state, in an area set apart from any other printed matter, that it has been paid for by the sponsor (Example: (1) Paid for by the XYZ committee, mailing address, city, state, zip code; (2) Vote for John Doe, paid for by John Doe, mailing address, city, state, zip code)."

Attached is a document printed and distributed by Englund's campaign committee, on campaign letterhead. The document does not state that it was paid for by the sponsoring committee and fails to include the language required by WAC 390-18-010 - a clear violation of the law.
