Hello Fox,

Regarding the RCW 42.17A.205 (3) complaint, review of Respect Washington's C1's over the past several years indicates "Respect Washington" as the name. The petition printed in Spokane in 2015 identified "PAID FOR BY RESPECT WASHINGTON." Therefore I do not believe there can be any legitimate confusion about which organization sponsored the Prop. 1 signature petition.

Regarding the RCW 42.17A.205 (2)(g) complaint, the City of Spokane Proposition 1 petition did not become a ballot campaign until it was referred to the Spokane County Auditor on April 11, 2016. Since that time Respect Washington has expended no funds on a Prop. 1 ballot campaign. Respect Washington continues to be organized as an "ongoing" "other political committee."

Thank you,

Craig Keller
President
Respect Washington
