

Dear Mr. Blackhorn, I received your email dated May 1, 2017 regarding my failure to submit my F1-A in a timely manner. The complaint is correct that this report was not filed in a timely manner. The report has now been submitted to you via U.S. mail, and you should have it by Monday, May 8, 2017.

In the process of retiring, moving to a different city, trying to sell my house and having knee surgery -- all in the past 4 months -- I did lose sight of the need to file my F1-A in a timely manner. I trust this will correct the matter and satisfy both my requirements under RCW 42.17A.700 and the complaint filed by Mr. Morgan on May 1, 2017.

Thank you.

Sincerely,
Cathy Wolfe
