

I am following up on the email I sent last week asking for advice and assistance to modify a C-4 report I filed in 2013. I am also including the email letter that I received from the AG's office last week, indicating they were "clearing" me of some of the allegations and noting that the PDC is responsible to determine what I must do in the case of others.

I believe there are two items that might need to be changed on my C-4, but I am seeking your input on whether this is true and if it is, then how I actually modify an old C-4 form.

- I did not show my filing fee of \$79.84 on my C-4 form.
- My mailbox rental fee was shown on Nov 20, 2013 rather than on May 16th when I first rented it.

I don't have access to ORCA. My treasurer for the 2013 campaign set it up on his computer and he entered all the data. Unfortunately, he passed away about two years ago so I have no way to recreate it. I do have a hard copy of some of the C4 forms. And in fact, in just doing some digging, I found a copy of a Schedule A to the C4 form that was filed on September 17, 2013 and it shows both my campaign mailbox cost (\$128) and my filing fee (\$79.84)! I haven't looked to see if I can find this online, but if I can send you a copy of the copy I have, will that suffice to prove that I actually did record these expenses as I should have? Thanks for your help on this!

In response to the other allegations about the timing of donations I included on my C-3 forms, I will say that I started my campaign in the "mini" mode and in September 2013 I changed it to full-reporting (I have the letter from the PDC authorizing this change). This is why my donations are shown on C-3 forms in September rather than when they were received in May-August.

On the website I used during the election, it is true I did not identify the sponsor (Elect Nancy Tosta). I did include sponsorship in my printed and mailed materials. I am not sure exactly what I can do to correct this from 2013, but as I work to launch my 2017 campaign, I will include the sponsor language on all materials and websites.

I was asked to respond by April 25th, so please consider this my response and let me know if you need further information from me. I look forward to hearing back from you on whether I need to modify a 2013 C-4 form and if so, how do I do that?

Thank you very much.

Best regards,
Nancy Tosta
