RE: Citizen Action Notice against Dana Ralph
Notice of Results

Dear Mr. Morgan:

I am writing on behalf of the Attorney General's Office to notify you of the outcome of your citizen action notice filed with our office on March 6, 2017. Your notice alleges that Dana Ralph committed violations of the state campaign finance disclosure laws contained in RCW 42.17A. You also brought these allegations to the attention of the state Public Disclosure Commission.

The Attorney General's Office has reviewed your allegations. We have determined, in an exercise of our prosecutorial discretion, that the allegations are more appropriate for resolution by the Public Disclosure Commission, as opposed to the superior court. The Commission has primary jurisdiction over the allegations because you first filed the complaint there; as such, any decision on how to respond to the allegations will be left with the Commission. Following review, the Commission may institute an enforcement proceeding related to your notice. If you have further questions, please contact me at (360) 586-0710.

Sincerely,

WALTER M. SMITH

Assistant Attorney General
