RE: Glen Morgan complaint against Nicole Hill, dated March 2, 2017

To Whom It May Concern,

I have reviewed the complaint made by Glen Morgan regarding my F1 Personal Financial Affairs Statements (F1 Statements) for 2015 and 2016. Below is a response to each complaint:

Complaint 1: Failure to timely file F1 Personal Financial Affairs Statement for 2015.

The 2015 F1 Statement was late. When PDC notified the City of Tumwater by email about the past due status of the F1 Statement, I filed the statement the same day.

Complaint 2: Failure to disclose ownership of a PERS Retirement Account as an asset.

I have been an employee of Pierce County Since December 1, 2014 (2 years and 4 months). The Pierce County job is the only job I have held that qualified for a Public Employment Retirement System Account (PERS). The PERS account was opened in January 2015. I did not realize that a PERS account needed to be disclosed. I also am not entirely clear on the actual value of the fund given that my tenure at Pierce County has been short and the funds are not yet "vested."

I will amend my F1 Statements for 2015 and 2016 to reflect the value indicated on my year-end statements from PERS. The 2015 balance was \$4704.70 and 2016 balance was \$10,332.61.

Complaint 3: Failure to Disclose Offices held.

I became an officer, Vice-Chair, of LOTT on February 8, 2017. This position is not reportable on the 2015 or 2016 F1 Statements.

Complaint 4: Failure to disclose income from the City of Tumwater.

The income from the City of Tumwater was not reported separately on the 2015 or 2016 F1 Statements. I didn't realize I needed to report the council position income separate from other income.

I will amend my F1 Statements for 2015 and 2016 to clarify that my council position paid \$7,920 in 2015 and \$8771 in 2016.

Thank you for the opportunity to respond to these complaints. If you have additional questions, please contact me at the number below.

Sincerely,

Nicole Hill
