MEMORANDUM

Date: March 17, 2017

To: Public Disclosure Commission Members

From: Kurt Young, PDC Compliance Officer

Subject: 45-Day Citizen Action Complaint
Washington Federation of State Employees – AFSCME Council 28 and its Separate Segregated Fund
PDC Case 14266

I. Background, Complaint Allegations, Request for PDC Review and Statutes/Rules

The Washington Federation of State Employees (WFSE) American Federation of State, County, and Municipal Employees (AFSCME) Council 28 is a statewide labor organization that is affiliated with AFSCME. WFSE AFSCME Council 28 has a Separate Segregated Fund (SSF) that is registered under Section 527 of the Internal Revenue Code, and reports to the Internal Revenue Service (IRS) under the name WFSE – SSF. WFSE AFSCME Council 28 is also a Lobbyist Employer that has been registered and reporting with the Public Disclosure Commission (PDC) since the 1970s.

On January 17, 2017, a 45-day Citizen Action Complaint (Complaint) was filed by The Freedom Foundation (TFF) pursuant to RCW 42.17A.765(4) with the Washington State Attorney General, King County Prosecuting Attorney, Thurston County Prosecuting Attorney, and Spokane County Prosecuting Attorney (**Exhibit #1**).

The Complaint alleged that the Separate Segregated Fund of WFSE AFSCME Council 28 (Washington Federation of State Employees – AFSCME Council 28 SSF or WFSE – SSF) may have violated provisions of RCW 42.17A by failing to register and report as a political committee for its support of candidates and ballot propositions in Washington State during calendar year 2016.

The Complaint was referred to the PDC by the Washington State Attorney General's Office for investigation on February 8, 2017. PDC staff investigated whether WFSE – SSF is a political

committee. Because the WFSE – SSF account is funded entirely by general treasury funds of WFSE AFSCME Council 28, and thus appears to be indistinguishable from it, staff also investigated whether WFSE AFSCME Council 28 is a political committee to determine whether WFSE – SSF is a political committee.

RCW 42.17A.005(39) defines "political committee" as “any person (except a candidate or an individual dealing with his or her own funds or property) having the expectation of receiving contributions or making expenditures in support of, or opposition to, any candidate or any ballot proposition.”

RCW 42.17A.205 requires political committees to register with the PDC if they have the expectation of receiving contributions or making expenditures in support a statewide ballot proposition.

RCW 42.17A.235 states that RCW 42.17A.240 require political committees, including bona fide political party committees, to timely and accurately file reports of contributions and expenditures, including the disclosure of contributions made to candidates for public office. Under the full reporting option, until five months before the general election, Summary Contribution and Expenditure Reports (C-4 reports) are required monthly when contributions or expenditures exceed \$200 since the last report. C-4 reports are also required 21 and 7 days before each election, and in the month following the election, regardless of the level of activity. Monetary Contribution reports (C-3 reports) are required to be filed weekly beginning June 1st of an election year, on the Monday following the date of deposit, and monetary contributions must be deposited within five business days of receipt.

PDC Interpretation 07-02, *Primary Purpose Test Guidelines*, distills relevant case law and other legal guidance (AGO 1973 no. 14, *State v. Dan Evans Committee*, and *Evergreen Freedom Foundation v. Washington Education Association*) concerning the definition of “political committee” in RCW 42.17.020(39). As discussed in the Interpretation, a person is a political committee if that person becomes a “receiver of contributions” to support or oppose candidates or ballot propositions, or if expenditures to support or oppose candidates or ballot propositions become one of the person’s primary purposes.

II. Complaint

The Complaint alleged that WFSE AFSCME Council 28, a statewide labor organization, “*makes at least some of its political contributions through a Separate Segregated Fund (SSF) that is registered with the Internal Revenue Service (IRS) as a 527 organization.*” Specifically, the Complaint alleged that the WFSE AFSCME Council 28 failed to register WFSE – SSF as a political committee with the PDC, and report its activities as a political committee. As part of the Complaint filed with the PDC, TFF provided the following documents: **(Exhibit #1)**

- A copy of Internal Revenue Service (IRS) Form 8871 entitled “Political Organization Notice of Section 527 Status.”

- Copies and amended copies of IRS Form 8872 entitled “Political Organization Report of Contributions and Expenditures by WFSE (SSF) for calendar years 2011, 2012, 2013 2014, 2015, and 2016.
- A copy of a 20-page spreadsheet generated by the Freedom Foundation listing WFSE contributions made to candidates and political committees from 2011 through 2016.

B. PDC Staff Investigative Review Findings and Analysis

The scope of PDC staff’s review of WFSE activities is limited for the Complaint by RCW 42.17A.765 to potential alleged violations that occurred within two years from the date the Complaint was filed. PDC staff reviewed activities undertaken by WFSE for calendar years 2015 and 2016.

Summary of PDC Interpretation #07-02 “Primary Purpose Test Guidelines”

On May 2, 2007, the Commission adopted PDC Interpretation #07-02, which is based on a formal Attorney General’s Opinion (AGO) and two court cases that were decided after Initiative 276 was approved by voters in 1972. The interpretation describes a “primary purpose” test or analysis that is used to assist in determining when an entity may become a political committee and be required to register and report in accordance with the disclosure requirements. (**See Exhibit #3**).

Specifically, the interpretation referenced the trial court’s decision in *Evergreen Freedom Foundation v. Washington Education Association* which adopted a standard for determining “one of the primary purposes” of an entity, and applied it by stating:

An organization is a political committee if one of its primary purposes is to affect governmental decision making by supporting or opposing candidates or ballot propositions, and it makes or expects to make contributions in support of or in opposition to a candidate or ballot measure.

The interpretation discussed two possible prongs or scenarios under which an entity (person) may become a political committee.

The two prongs include: (1) Having the expectation to receive or receiving contributions that are used to support or oppose candidates or ballot propositions; or (2) Having the expectation of making expenditures to further the electoral political goals of an organization. When the evidence indicates that one of an organization's primary purposes is electoral political activity during a specific timeframe, the organization may be a political committee and be required to comply with the appropriate disclosure requirements.

Staff Review Findings

Mr. Iglitzin stated in his supplemental response (**Exhibit #3**) that “WFSE’s purpose is to organize and empower individuals to create a powerful collective voice, respond to the needs and directions of the membership, achieve and maintain excellent wages, benefits and working conditions, ensure the union is a positive force in workers’ lives, families and communities and untie the locals of WFSE/AFSCME for mutual protection and advancement of workers.” No evidence was found to dispute that WFSE’s political activity is merely one means it uses to achieve its legitimate broad nonpolitical goals, or that it has merely restated a primary political purpose in broad nonpolitical terms.

The Complaint included copies of IRS Form 8872, which was filed by WFSE as a “527 organization”, and disclosed contributions the union made to candidates, political party organizations, political committees, and ballot measure committees by WFSE’s SSF for calendar years 2011, 2012, 2013 2014, 2015, and 2016. A “527” political organization refers to entities that file tax documents with the IRS, and specifically to a certain section of the federal tax code that governs such groups, including political party organizations, candidates, political committees, unions, corporations or associations.

Those 527 groups are “organized for the purpose of influencing an issue, policy, appointment or election, be it federal, state or local” and some organizations are exempted from filing with the IRS as a 527 organization and include: (1) Committees required to file with the Federal Election Commission; (2) Any state or local candidate, political party organization, political committee or ballot measure committees; and (3) Organizations whose annual gross receipts are less than \$25,000. A “527 organization” may “raise unlimited funds from individuals, corporations or labor unions, but they must register with the IRS and disclose their contributions and expenditures.”

Mr. Iglitzin stated in his initial response (**Exhibit #2**) that WFSE’s SSF is “by definition not a separate “person” but instead “merely a separate bank account, or fund” that is part of the general treasury and within the total control of the WFSE that created it. He stated an “SSF may be examined in the context of an assessment of the status of the entire labor organization” and its general treasury. He stated that an SSF which is solely funded by donations from the labor organization, and operated by employees of the labor organization, “may not itself properly be characterized as a political committee under any circumstances.”

Mr. Iglitzin stated WFSE’s SSF is “managed, operated, funded and directed entirely” by the WFSE, and that Greg Devereux, WFSE’s Executive Director, has final approval concerning all funds provided to the SSF and expenditures, including contributions made from the SSF. He stated that Mr. Devereux receives requests for SSF funds to be spent from WFSE’s Legislative and Political Action Departments, and then he determines which expenditures to make. He added that Mr. Devereux is responsible for “all of the day-to-day expenditures involved in running WFSE and all contributions of money from WFSE to the SSF.”

Mr. Iglitzin included with his response, a copy of a May 11, 1995 letter from PDC staff that was addressed to James Oswald, an attorney with Davies, Robert & Reid. The letter confirmed that PDC staff “does not believe that a local union is required to register or report the activities of an SSF that is fully funded by the local union” simply because the union has engaged in “electoral political activity” by making contributions to candidates. The May 11, 1995, letter from PDC staff stated the following:

“Of particular significance in reaching this conclusion is the fact that the monies going into the information fund account originate with the union’s general treasury fund and are deposited into the segregated account at the discretion of the union Secretary/Treasurer.”

“union political contributions made from the segregated account...are tantamount to being made from its general fund and this activity does not trigger registration and reporting” in accordance with PDC law.

WFSE “Receiver of Contributions Test” Prong

Mr. Iglitzin stated that “there is no basis for concluding that WFSE’s SSF operated as a separate person” since it did not solicit contributions or funds, and the SSF was completely funded by the

WFSE. He stated that for at least the last five years “all of WFSE’s SSF’s funding has come to it from WFSE.”

Mr. Iglitzin stated that WFSE AFSCME Council 28 SSF was not a political committee required to register with PDC under the "Receiver of Contributions" prong because there is no evidence that it had "the expectation of receiving contributions" in support of, or in opposition to, any candidate or ballot proposition. Mr. Iglitzin acknowledged there were three instances in which funds from sources other than WFSE were inadvertently deposited into the SSF, and all three occasions occurred in 2012, which is beyond the two-year statute of limitations for a Citizen Action Complaint. The first instance occurred on September 27, 2012, and concerned a \$1,300 contribution “that was intended to be donated by AFSCME Local 443 to the Committee to Elect Steve Fossum” in which the contribution check was “apparently mistakenly made out to WFSE Council 28, received by WFSE, and deposited into WFSE’s SSF.”

Mr. Iglitzin stated that the other two instances concerned two contributions that were inadvertently made by AFSCME Local 443 to WFSE on November 5, 2012, totaling \$2,800 that were sent to the WFSE by mistake and deposited into the WFSE SSF by mistake (**Exhibit #3**). He stated that one of the checks represented funds that AFSCME Local 443 had intended to contribute to Thomas Bjorgen, a judicial candidate seeking the office of Court of Appeals, Division II in 2012 for a \$1,800 contribution received by the campaign on November 5, 2012. He stated the other inadvertent expenditure was for a \$1,000 donation made to Washington Bus.

Mr. Iglitzin stated that immediately after the WFSE received and deposited those checks into the SSF, WFSE wrote checks for the same amount to the intended recipients, and that the WFSE providing “contemporaneous documentation confirming that fact. Mr. Iglitzin stated that the “administrative” errors which occurred almost five years ago, does not change “WFSE’s analysis to the Office of the Attorney General, as to why WFSE is not a political committee under the recipient of contributions prong.” He stated that these three “minor bookkeeping” errors did not result in any lack of transparency, and the two candidates that ultimately received the contributions were able to properly disclose “the true source of the funds.” He added that the errors were timely corrected and it did not result in an increase in WFSE’s SSF bank account balance, and went on to state the following:

“(the errors did) not vitiate the fact that WFSE’s SSF has itself at all times pertinent hereto been funded solely by WFSE, under WFSE’s sole control, and therefore that SSF does not meet the statutory definition of “person” so as to properly subject to any assessment as to whether “it” needed to register and report as a political committee.”

WFSE “Expenditures Test” Prong

Washington Federation of State Employees – AFSCME Council 28 was asked by the AG’s Office as part of its review whether WFSE is an “unregistered political committee under the “expenditures” prong of the statute because of the amounts it has expended on electoral political activity, e.g., through its allocation of money to its separate segregated fund.”

PDC staff reviewed the L-2 reports filed by Dennis Eagle, a contract lobbyist registered with the PDC on behalf of WFSE, covering the period of January 1, 2015 through June 30, 2016, and information in the PDC's lobbying database for the period July 1 through December 31, 2016. Staff's review verified that Mr. Eagle appears to have timely disclosed the contributions made by the WFSE through its SSF, during the two-year timeframe covered by the Complaint.

Mr. Iglitzin stated that the Complaint "did not allege that any substantial portion of WFSE's annual expenditures... were spent, directly or indirectly, on electoral political activity." He stated that per the US Department of Labor Form LM-2 filed by WFSE for CY 2015, the WFSE's total general treasury expenditures exceeded \$24,000,000 in 2015, and "in all likelihood were even higher in 2016" (**Exhibit #4**). He stated that "there is no evidence that a majority of WFSE's expenditures were spent" on electoral political activity, which he added is considered to be "an important part of the balancing of factors" prescribed by the court in WEA case.

Mr. Iglitzin stated that "because no other evidence exists to support any allegation that WFSE is an unregistered political committee pursuant to the "expenditures" prong of the test, even had the Freedom Foundation made such an allegation, which it did not, the PDC should not so conclude in this investigation."

IV. Conclusion

Based on the factors identified in staff's investigation and described above, staff has concluded that WFSE AFSCME Council 28 is not required to register and report its Separate Segregated Fund as a political committee with the PDC. Staff has concluded that the WFSE - SSF is an account that is established and controlled by WFSE AFSCME Council 28, that is funded from its general treasury, and from which political contributions are made. Expenditures of the WFSE - SSF appear to be equivalent to expenditures from the general fund of WFSE AFSCME Council 28.

Informing its conclusion was staff's conclusion that WFSE AFSCME Council 28 does not appear to be a political committee because (1) It is not a "receiver of contributions" in support of, or in opposition to candidates or ballot propositions; and (2) Supporting candidates or ballot propositions is not one of its primary purposes.

V. Recommendation

For the reasons described above, staff recommends that:

For Washington Federation of State Employees – AFSCME Council 28 and its Separate Segregated Fund, Case 14266, the Commission find there is no apparent violation of RCW 42.17A.205, .235, and .240 by failing to register and report the SSF's receipts and expenditures with the PDC, and recommend to the Washington Attorney General that that office take no further action with respect to the allegations in the Complaint.

RE: Citizen Action Notice – Washington Federation of State Employees – American Federation of State, County, and Municipal Employees Council 28 Separate Segregated Fund (WFSE AFSCME Council 28 SSF)

Dear Ms. Lopez:

On January 17, 2017, the Attorney General's Office received a Citizen Action Notice from the Freedom Foundation alleging that the Washington Federation of State Employees – American Federation of State, County, and Municipal Employees Council 28 Separate Segregated Fund (WFSE AFSCME Council 28 SSF) has violated provisions of RCW 42.17A by failing to register and report as a Washington political committee. The 45 days under RCW 42.17A.765 expires on March 3, 2017. A copy of the Citizen Action Notice is enclosed.

The AGO requests that PDC staff review and, if appropriate, investigate the allegations. Once that process is completed, and in the event the Commission makes any recommendation concerning these allegations, we would request a copy of any report of investigation or materials PDC staff may produce.

Feel free to contact me if you have any questions during the course of your review or investigation.

Dear Messrs. Ferguson, Satterberg, Tunheim and Haskell,

Pursuant to RCW 42.17A.765(4), I write to report systematic violations of the Fair Campaign Practices Act (FCPA), Chapter 42.17A RCW, by the Washington Federation of State Employees, AFSCME Council 28 (WFSE).

WFSE is one of the most prolific political actors in the state. The union makes at least some of its political contributions through a "separate, segregated fund" (SSF) registered with the Internal Revenue Service (IRS) as a 527 organization. However, WFSE has failed to register its SSF as a political committee with the Public Disclosure Commission (PDC), in violation of RCW 42.17A.205.

RCW 42.17A.005(37) defines "political committee" as:

"...any person (except a candidate or an individual dealing with his or her own funds or property) having the expectation of receiving contributions or making expenditures in support of, or opposition to, any candidate or any ballot proposition."

ATTORNEY GENERAL
STATE OF WASHINGTON
GSE/OLYMPIA

In *State ex rel. Evergreen Freedom Foundation v. Washington Education Association*, 111 Wn. 586 (2002), the Washington State Supreme Court interpreted this definition to mean,

“a person or organization may become a political committee by either (1) expecting to receive or receiving contributions, or (2) expecting to make or making expenditures to further electoral political goals.”

The State Supreme Court has further determined, in *State of Washington v. Dan J. Evans Campaign Committee*, 86 Wn.2d 503 (1976), that an entity satisfies the expenditures prong if affecting, “directly or indirectly, governmental decision making by supporting or opposing candidates or ballot propositions” is “the primary or one of the primary purposes” of the entity. The court further held that,

“an appropriate framework for determining whether electoral political activity is one of an organization's primary purposes should include an examination of the stated goals and mission of the organization and whether electoral political activity was a primary means of achieving the stated goals and mission during the period in question.”

WFSE's SSF meets both the receiver of contributions and maker of expenditures prongs and clearly fits the definition of “political committee.”

The “Washington Federation of State Employees SSF” was established on February 1, 2011 as a “political organization” under 26 U.S.C. § 527. See **Exhibit A**, a copy of the SSF's 8871 form filed with the Internal Revenue Service. Subsection (e) of the statute defines “political organization” as,

“...a party, committee, association, fund, or other organization (whether or not incorporated) organized and operated primarily for the purpose of directly or indirectly accepting contributions or making expenditures, or both, ... [for] the function of influencing or attempting to influence the selection, nomination, election, or appointment of any individual to any Federal, State, or local public office...”

In *Voters Education Committee v. Deborah Senn*, 166 P.3d 1174 (2007), the Washington State Supreme Court noted the strong similarity between the definition of “political committee” in RCW 42.17A.005(37) and the definition of “political organization” in 26 U.S.C. § 527(e). The Court determined that, if a 527 political organization makes expenditures on political campaigns in Washington but fails to register and report as a political committee, it is “a persuasive fact” indicating the organization “was seeking the tax benefits of section 527 while disingenuously seeking to avoid the disclosure requirements of the FCPA.”

Such appears to be the case with WFSE's SSF.

Its formation paperwork listed the “Washington Federation of State Employees WFSE Cn28” as the SSF's related/connected entity. WFSE employees and board members comprise the totality of the 527's “officers, directors and highly compensated employees.” See **Exhibit A**.

From January 1, 2012 to November 8, 2016, the SSF made \$2,671,935 in contributions, all to political candidates, campaigns and committees in Washington. The total amount of expenditures made by the SSF that should have been reported to the PDC may exceed this amount, however, as 26 U.S.C. § 527(j)(5)(F) does not require independent expenditures to be reported to the IRS. Additionally, 26 U.S.C. § 527(j)(3)(A) only requires political organizations to report expenditures "made to a person if the aggregate amount of expenditures to such person during the calendar year equals or exceeds \$500." Under RCW 42.17A.235, however, a political committee must report all contributions it receives. Lastly, the SSF does not appear to have reported any in-kind contributions to other political committees or campaigns to the IRS, though such contributions would certainly be reportable under the FCPA.

Over the same period, the SSF only reported receiving a total of \$4,100 in contributions from a single source, "WFSE Local 443," all in late 2012, leaving the source of nearly all of its revenue undisclosed to both the IRS and PDC. See **Exhibit B**, copies of the 8872 forms filed by the SSF with the Internal Revenue Service.

The sole purpose of the SSF is described as providing "financial support for candidates responsive to the interests of working people." See **Exhibit A**.

Although the source of the SSF's funds is largely unknown, the fact that its only purpose and function is to financially support political candidates and causes favored by WFSE leadership presumably means that any such contributions the SSF received were for such purpose. Accordingly, WFSE's SSF appears to satisfy both the receiver of contributions and maker of expenditures prongs of the FCPA's definition of "political committee."

Despite these facts, WFSE's SSF has never registered as a continuing political committee with the PDC, in violation of RCW 42.17A.205. It has, of course, also failed to report the source(s) of its contributions, as well as its \$2.7 million of expenditures, in violation of RCW 42.17A.225 and similar statutes.

Nothing in federal law obviates the requirement that WFSE's SSF register with and report to the PDC. Indeed, while WFSE's SSF could have satisfied its reporting requirements to the IRS by reporting to the PDC, it instead has chosen to ignore state reporting requirements. 26 U.S.C. § 527(j)(5)(C) exempts "qualified State or local political organizations" from having to report contributions and expenditures to the IRS. "Qualified State or local political organization" is defined by 26 U.S.C. § 527(E)(5)(c) as:

"... a political organization—

(i) all the exempt functions of which are solely for the purposes of influencing or attempting to influence the selection, nomination, election, or appointment of any individual to any State or local public office or office in a State or local political organization,

(ii) which is subject to State law that requires the organization to report (and it so reports)—

(I) information regarding each separate expenditure from and contribution to such organization, and

(II) information regarding the person who makes such contribution or receives such expenditure, which would otherwise be required to be reported under this section, and (iii) with respect to which the reports referred to in clause (ii) are (I) made public by the agency with which such reports are filed, and (II) made publicly available for inspection by the organization in the manner described in section 6104(d)."

Given this criteria, were the SSF to comply with the FCPA's reporting and disclosure requirements, it would likely be able to avoid having to file 8872 reports with the IRS, yet it chooses to violate state election laws instead.

WFSE's multi-year attempt to operate what amounts to a shadow-PAC outside the public eye runs directly counter to the FCPA's proclamation that "political campaign and lobbying contributions and expenditures be fully disclosed to the public and that secrecy is to be avoided."

We respectfully request that you undertake a thorough investigation into these allegations and initiate an enforcement action to prosecute these violations. Please be aware that if no enforcement action is commenced by your office(s) within 45 days of the date of this letter, my organization intends to commence an enforcement action pursuant to RCW 42.17A.765(4).

Please do not hesitate to let us know if you would like us to clarify, expand upon, or further document our allegations in any way.

Re: Citizen Action Notice – Washington Federation of State Employees
Our File No. 3389-001

Dear Walter:

We are writing in response to the letter you sent to Greg Devereux, Executive Director, Washington Federation of State Employees ("WFSE"), on January 18, 2017, relating to a Citizen Action Notice filed against WFSE by the Freedom Foundation ("Foundation") on January 17, 2017. The undersigned is legal counsel for WFSE in this matter.

For the following reasons, the allegations made against WFSE by the Foundation, that it improperly failed to register its "separate, segregated fund" ("SSF") as a political committee with the Washington State Public Disclosure Commission ("PDC") and also failed to have that SSF report its activities to the PDC as required by the Fair Campaign Practices Act (FCPA), are without merit. No action should be taken on those allegations by the Attorney General's Office.

Fundamentally, the Foundation's allegations lack merit because they are premised on the incorrect premise that an SSF that has been set up by a labor organization for political purposes is a "person" subject to being characterized as a political committee under RCW 42.17A.005(37) if it receives contributions or, under certain circumstances, makes expenditures in support of, or in opposition to, candidates or ballot propositions. It is not. An SSF, as described above, is by definition not a separate "person." It is, instead, merely a separate bank account, or fund, within the total control of the labor organization that has created it. The significance of contributions made to, or expenditures made from, the SSF, may be examined in the context of an assessment of the status of the labor organization itself. But an SSF that is operated and funded solely by the labor organization that has created it may not itself properly be characterized as a political committee under any circumstances.

This was made clear by the PDC in a letter it sent to James Oswald, then an attorney with the firm of Davies, Roberts & Reid, on May 11, 1995. In that letter, a copy of which is enclosed as Exhibit A, the PDC confirmed that the PDC "does not believe" that a local union is required

18 West Mercer St, Ste 400	(206) 285.2828	TEL
Seattle, Washington 98119	(800) 238.4231	TEL

to register or report the activities of an SSF that is fully funded by the local union, even though the SSF engages in electoral political activity such as making contributions to state office candidates. The PDC wrote, in pertinent part, that “union political contributions made from the segregated account ... are tantamount to being made from its general fund and this activity does not trigger registration and reporting under the Public Disclosure Law, 42.17 RCW.”

This conclusion is also compelled by the common and long-recognized practice of organizations such as, but by no means limited to, labor unions, creating and operating SSFs in order to limit the tax consequences of their political expenditures. An SSF, by definition, has as one of its primary, if not its sole, purpose the intent “to affect, directly or indirectly, governmental decision making by supporting or opposing candidates or ballot propositions.” Pursuant to *State ex rel. Evergreen Freedom Found. v. Wash. Educ. Assn*, 111 Wn. App. 586, 598-99, 49 P.3d 894 (2002), and the authority cited therein, every single SSF would therefore be an unlawfully unregistered political committee, were it not the case, as urged herein, that an SSF that exists merely as a separate fund of a different entity is not treated as a “person” at all for purposes of RCW 42.17A.005(37). That would be a radical and unjustified transformation of existing law and practice under the FCPA.

Nor does the fact that WFSE’s SSF has filed an IRS Form 8871 change this analysis. The obligation to file a Form 8871 flows from federal tax law, but does not materially change the nature or status of an entity. Every SSF has applied for an Employer Identification Number, which it does in order for the SSF to obtain its own bank account and be treated as a separate taxable entity. Whether or not the SSF exceeds the level of income that requires it to file an IRS Form 8871 (currently, \$25,000 in any calendar year) is irrelevant to whether it is, or is not, a separate “person” for purposes of RCW 42.17A.005(37).

Voters Educ. Committee v. Washington State Public Disclosure Com, 161 Wn.2d 470, 166 P.3d 1174 (2007), is not inconsistent with this conclusion. In that case, the Supreme Court, in trying to determine whether the Voters Education Committee (“VEC”) was or was not a political committee subject to the registration and reporting requirements of the Act, noted that it had previously registered as a Section 527 political organization under the Internal Revenue Code (i.e., by filing an IRS Form 8871). The majority decision observed that “the fact that VEC registered as a “political organization” under section 527 organization is a persuasive fact that indicates that VEC was seeking the tax benefits of section 527 while disingenuously seeking to avoid the disclosure requirements of the FCPA.” 161 Wn.2d at 491 n.14. But VEC was a stand-alone entity, not an SSF. Thus, the issue as to whether an SSF is properly analyzed as being a separate “person” subject to the registration and reporting obligations of the FCPA, or instead is examined only as one part of the organization of which it is merely a fund, was not raised.¹

¹ *Utter v. Building Industry Assn of Washington*, 182 Wn.2d 398, 341 P.3d 953 (2015) is similarly inapposite. The issue in that case was whether BIAW, because of its own electoral political activities, fell within the statutory definition of a “political committee” during the relevant time period. 182 Wn.2d at 412-413. There was no dispute that BIAW-MSC, a for-profit organization created by BIAW, itself a not-for-profit entity, was a separate “person” for purposes of RCW 42.17A.005(37). It was not simply an SSF operated by BIAW.

In the instant situation, there is no dispute that WFSE's SSF is managed, operated, funded and directed entirely by WFSE itself. Greg Devereux, WFSE's Executive Director, makes all final approvals of monies provided to and spent from the SSF. Regarding expenditures, Mr. Devereux receives requests from WFSE's Legislative and Political Action Department and then decides whether certain moneys should be spent. Mr. Devereux has the final say for all expenditures that are made from the SSF, as well as for all of the day-to-day expenditures involved in running WFSE and all contributions of money from WFSE to the SSF.

Finally, there is no basis for concluding that WFSE's SSF operated as a separate person because it allegedly has solicited money from sources other than WFSE. Assuming, without conceding, that an SSF that solicited or received funding from a source other than its sponsoring union might under some circumstances be characterized as a separate "person" under the FCPA, WFSE's SSF is not such a separately funded SSF. Instead, for the last five years, and longer, all of WFSE's SSF's funding has come to it from WFSE.

Concededly, the Citizen Action Notice has brought to WFSE's attention one anomaly in the otherwise very clear and unbroken record of WFSE having been the sole funder of its SSF. On September 27, 2012, a Thursday, a check for \$1300 that was intended to be donated by AFSCME Local 443 to the Committee to Elect Steve Fossum was apparently mistakenly made out to "WFSE Council 28," received by WFSE, and deposited into WFSE's SSF. See Exhibit B (WFSE's SSF's October 19, 2012, IRS Form 8872 filing), Schedule A; see also Exhibit C (WFSE's SSF's check and deposit register for September 27 through October 2, 2012), September 27, 2012, entry. On the second working day thereafter, the following Monday, October 1, 2012, WFSE forwarded this money to its intended recipient, the Steven J. Fossum Campaign. Exhibit C (October 1, 2012, entry relating to check number 1214); see also Dennis Eagle's Lobbyist Monthly Expense Report filed November 9, 2012, Exhibit D, fourth page. That campaign promptly (on October 7, 2012) and correctly reported this money as having been received on October 1, 2012, from its true source, AFSCME Local 443. See Exhibit E.

Clearly, this one extremely minor bookkeeping misstep, which resulted in no failure of transparency (i.e., the recipient candidate was able to, and did, properly report the true source of the funds) and at no time resulted in any net increase in the amount of money actually present in WFSE's SSF bank account,² does not vitiate the fact that WFSE's SSF has itself at all times pertinent hereto been funded solely by WFSE, under WFSE's sole control, and therefore that SSF does not meet the statutory definition of "person" so as to properly subject to any assessment as to whether "it" needed to register and report as a political committee.

In light of the foregoing, the answer to your question regarding "any disclosure requirements" WFSE had during 2016 is, "none." WFSE is not a political committee and has not been alleged to be one. WFSE's SSF is not a separate person subject to any reporting or disclosure requirements under the FCPA. The Citizen Action Notice is legally frivolous and no followup action regarding it should be taken by the Office of the Attorney General.

² Because WFSE's SSF wrote and delivered its check for \$1300 to the Committee to Elect Steve Fossum long before the check the SSF received from AFSCME Local 443 could even have cleared the bank, there is no evidence that the amount of money in the SSF's bank account ever actually increased as a result of having received that check.

Dear Jim:

In your letter of this date, you explain that a local union is considering establishing a segregated account for "Public Information Fund" activities, including the issuance of contributions to state office candidates.

Based on the information provided, PDC staff does not believe that the local union is required to register and report the segregated account as a political committee. Of particular significance in reaching this conclusion is the fact that the monies going into the information fund account originate with the union's general fund and are deposited into the segregated account at the discretion of the union Secretary/Treasurer. That is, no set amount of each member's union dues is earmarked for the information fund. In addition, as I understand it, there will not be any additional fund raising activities undertaken to augment these transfers from the general fund and, in fact, no monies other than these transfers will be deposited into the information fund account.

In summary, staff believes the union political contributions made from the segregated account described above are tantamount to being made from its general fund and this activity does not trigger registration and reporting under the Public Disclosure Law, 42.17 RCW.

However, should the union choose to register this segregated fund as a political committee, full reporting of all transfers into the account (contributions) and all expenditures made from it will be necessary. If this route is taken, the union PAC would not be restricted to receiving only transfers from the general fund, but could hold political fund raising events and accept additional contributions allowed by law. Let me know if this choice is made so we can provide additional information to the union.

Sincere!

RE: AGO Inquiry, re Citizen Action Notice against WFSE-AFSCME Council 28
SCBIL File No. 3389-001

Dear Mr. Perkins:

We write to you on behalf of our client, WFSE-AFSCME Council 28, in response to certain e-mailed inquiries we received from you regarding the above-captioned matter.

Given the very short timeline you have offered to us within which to submit a response (i.e., prior to March 16, 2017), this reply will of necessity be brief and summary in nature. However, we believe that even a cursory examination of the new matters or issues that you have identified, in light of applicable law, reveals that no violations of the Fair Campaign Practices Act have occurred.

The Additional \$2800 In Donations Appearing to be From Local 443 to WFSE Was, Like the Inadvertent Deposit of \$1300, A Mistake, Not A Political Contribution to WFSE.

WFSE has investigated this matter and has determined that the two apparent contributions from AFSCME Local 443 to WFSE on November 5, 2012, totaling \$2800, were sent to (and deposited by) WFSE by mistake. One of the checks represented funds which Local 443 intended to donate to a candidate named Thomas Bjorgen; the other was intended to be donated to an organization named Washington Bus. Immediately after receiving (and depositing) these checks, WFSE wrote checks for the same amount to the intended recipients. (WFSE's contemporaneous documentation confirming that fact is enclosed with this letter.) Nothing about this administrative error almost five years ago changes WFSE's analysis, in our letter to the Office of the Attorney General, as to why WFSE is not a political committee under the "recipient of contributions" prong.

WFSE is not an unregistered political committee under the "expenditures" prong.

The question raised in your March 10, 2017, e-mail is whether WFSE is an unregistered political committee under the “expenditures” prong of the statute because it has expended certain amounts of money on electoral political activity, e.g., through its allocation of money to its separate segregated fund.

As was explained in detail in *Evergreen Freedom Found. v. Washington Educ. Ass’n*, 111 Wn. App. 586, 600 (2002) (“*WEA*”), “if electoral political activity is merely one means the organization uses to achieve its legitimate broad nonpolitical goals, electoral political activity cannot be said to be one of the organization’s primary purposes.” As is set forth with clarity in WFSE’s Mission Vision and Core Values, at page 9 of WFSE’s Member Orientation Guide, http://www.wfse.org/docs/AWWBooklet_2017_FINAL.pdf, WFSE’s purpose is “to organize and empower individuals to create a powerful collective voice, respond to the needs and directions of the membership, achieve and maintain excellent wages, benefits and working conditions, ensure the union is a positive force in workers’ lives, families and communities and untie the locals of WFSE/AFSCME for mutual protection and advancement of workers.”

We recognize that, as stated in *WEA*, an organization’s stated goals are not necessarily dispositive of the issue of whether electoral political activity is one of its primary political purposes. An organization could “merely restate[] its primary political purpose in broad nonpolitical terms.” *WEA*, 111 Wn. App. at 600. However, there is absolutely no evidence that this exception applies to WFSE. No one even slightly familiar with the work done by WFSE can doubt that its stated goals, set forth above, are its true goals, and that the electoral political activity it engages in at times through its separate segregated fund is nothing more than one of the means by which the WFSE seeks to accomplish that goal. *WEA* is therefore dispositive on this issue.

The Freedom Foundation did not allege that any substantial portion of WFSE’s annual expenditures, which (according to its LM-2 filings) exceeded \$24,000,000 in 2015, and in all likelihood were even higher in 2016, were spent, directly or indirectly, on electoral political activity. Certainly there is no evidence that “a majority” of WFSE’s expenditures were spent on such activity, which is “considered an important part of the balancing of factors” prescribed by the court in *WEA*, as has repeatedly been stated by the PDC.

Because no other evidence exists to support any allegation that WFSE is an unregistered political committee pursuant to the “expenditures” prong of the test, even had the Freedom Foundation made such an allegation, which it did not, the PDC should not so conclude in this investigation.

Conclusion

WFSE has not violated any provisions of RCW 42.17A. We therefore we ask that the Complaint be dismissed. While we trust that this is sufficient to overcome the allegations made against WFSE, we would be happy to provide any further supporting information you may need.
