**RE: Citizen Action Notice – Washington Federation of State Employees – American Federation of State, County, and Municipal Employees Council 28 Separate Segregated Fund (WFSE AFSCME Council 28 SSF)**

Dear Ms. Lopez:

On January 17, 2017, the Attorney General's Office received a Citizen Action Notice from the Freedom Foundation alleging that the Washington Federation of State Employees – American Federation of State, County, and Municipal Employees Council 28 Separate Segregated Fund (WFSE AFSCME Council 28 SSF) has violated provisions of RCW 42.17A by failing to register and report as a Washington political committee. The 45 days under RCW 42.17A.765 expires on March 3, 2017. A copy of the Citizen Action Notice is enclosed.

The AGO requests that PDC staff review and, if appropriate, investigate the allegations. Once that process is completed, and in the event the Commission makes any recommendation concerning these allegations, we would request a copy of any report of investigation or materials PDC staff may produce.

Feel free to contact me if you have any questions during the course of your review or investigation.

Sincerely,

WALTER M. SMITH  
Assistant Attorney General

Dear Messrs. Ferguson, Satterberg, Tunheim and Haskell,

Pursuant to RCW 42.17A.765(4), I write to report systematic violations of the Fair Campaign Practices Act (FCPA), Chapter 42.17A RCW, by the Washington Federation of State Employees, AFSCME Council 28 (WFSE).

WFSE is one of the most prolific political actors in the state. The union makes at least some of its political contributions through a "separate, segregated fund" (SSF) registered with the Internal Revenue Service (IRS) as a 527 organization. However, WFSE has failed to register its SSF as a political committee with the Public Disclosure Commission (PDC), in violation of RCW 42.17A.205.

RCW 42.17A.005(37) defines "political committee" as:

"...any person (except a candidate or an individual dealing with his or her own funds or property) having the expectation of receiving contributions or making expenditures in support of, or opposition to, any candidate or any ballot proposition."

In *State ex rel. Evergreen Freedom Foundation v. Washington Education Association*, 111 Wn. 586 (2002), the Washington State Supreme Court interpreted this definition to mean,

“a person or organization may become a political committee by either (1) expecting to receive or receiving contributions, or (2) expecting to make or making expenditures to further electoral political goals.”

The State Supreme Court has further determined, in *State of Washington v. Dan J. Evans Campaign Committee*, 86 Wn.2d 503 (1976), that an entity satisfies the expenditures prong if affecting, “directly or indirectly, governmental decision making by supporting or opposing candidates or ballot propositions” is “the primary or one of the primary purposes” of the entity. The court further held that,

“an appropriate framework for determining whether electoral political activity is one of an organization's primary purposes should include an examination of the stated goals and mission of the organization and whether electoral political activity was a primary means of achieving the stated goals and mission during the period in question.”

WFSE's SSF meets both the receiver of contributions and maker of expenditures prongs and clearly fits the definition of “political committee.”

The “Washington Federation of State Employees SSF” was established on February 1, 2011 as a “political organization” under 26 U.S.C. § 527. See **Exhibit A**, a copy of the SSF's 8871 form filed with the Internal Revenue Service. Subsection (e) of the statute defines “political organization” as,

“...a party, committee, association, fund, or other organization (whether or not incorporated) organized and operated primarily for the purpose of directly or indirectly accepting contributions or making expenditures, or both, ... [for] the function of influencing or attempting to influence the selection, nomination, election, or appointment of any individual to any Federal, State, or local public office...”

In *Voters Education Committee v. Deborah Senn*, 166 P.3d 1174 (2007), the Washington State Supreme Court noted the strong similarity between the definition of “political committee” in RCW 42.17A.005(37) and the definition of “political organization” in 26 U.S.C. § 527(e). The Court determined that, if a 527 political organization makes expenditures on political campaigns in Washington but fails to register and report as a political committee, it is “a persuasive fact” indicating the organization “was seeking the tax benefits of section 527 while disingenuously seeking to avoid the disclosure requirements of the FCPA.”

Such appears to be the case with WFSE's SSF.

Its formation paperwork listed the “Washington Federation of State Employees WFSE Cn28” as the SSF's related/connected entity. WFSE employees and board members comprise the totality of the 527's “officers, directors and highly compensated employees.” See **Exhibit A**.

From January 1, 2012 to November 8, 2016, the SSF made \$2,671,935 in contributions, all to political candidates, campaigns and committees in Washington. The total amount of expenditures made by the SSF that should have been reported to the PDC may exceed this amount, however, as 26 U.S.C. § 527(j)(5)(F) does not require independent expenditures to be reported to the IRS. Additionally, 26 U.S.C. § 527(j)(3)(A) only requires political organizations to report expenditures “made to a person if the aggregate amount of expenditures to such person during the calendar year equals or exceeds \$500.” Under RCW 42.17A.235, however, a political committee must report all contributions it receives. Lastly, the SSF does not appear to have reported any in-kind contributions to other political committees or campaigns to the IRS, though such contributions would certainly be reportable under the FCPA.

Over the same period, the SSF only reported receiving a total of \$4,100 in contributions from a single source, “WFSE Local 443,” all in late 2012, leaving the source of nearly all of its revenue undisclosed to both the IRS and PDC. See **Exhibit B**, copies of the 8872 forms filed by the SSF with the Internal Revenue Service.

The sole purpose of the SSF is described as providing “financial support for candidates responsive to the interests of working people.” See **Exhibit A**.

Although the source of the SSF’s funds is largely unknown, the fact that its only purpose and function is to financially support political candidates and causes favored by WFSE leadership presumably means that any such contributions the SSF received were for such purpose. Accordingly, WFSE’s SSF appears to satisfy both the receiver of contributions and maker of expenditures prongs of the FCPA’s definition of “political committee.”

Despite these facts, WFSE’s SSF has never registered as a continuing political committee with the PDC, in violation of RCW 42.17A.205. It has, of course, also failed to report the source(s) of its contributions, as well as its \$2.7 million of expenditures, in violation of RCW 42.17A.225 and similar statutes.

Nothing in federal law obviates the requirement that WFSE’s SSF register with and report to the PDC. Indeed, while WFSE’s SSF could have satisfied its reporting requirements to the IRS by reporting to the PDC, it instead has chosen to ignore state reporting requirements. 26 U.S.C. § 527(j)(5)(C) exempts “qualified State or local political organizations” from having to report contributions and expenditures to the IRS. “Qualified State or local political organization” is defined by 26 U.S.C. § 527(E)(5)(c) as:

- “... a political organization—
- (i) all the exempt functions of which are solely for the purposes of influencing or attempting to influence the selection, nomination, election, or appointment of any individual to any State or local public office or office in a State or local political organization,
- (ii) which is subject to State law that requires the organization to report (and it so reports)—
- (I) information regarding each separate expenditure from and contribution to such organization, and

(II) information regarding the person who makes such contribution or receives such expenditure, which would otherwise be required to be reported under this section, and (iii) with respect to which the reports referred to in clause (ii) are (I) made public by the agency with which such reports are filed, and (II) made publicly available for inspection by the organization in the manner described in section 6104(d).”

Given this criteria, were the SSF to comply with the FCPA’s reporting and disclosure requirements, it would likely be able to avoid having to file 8872 reports with the IRS, yet it chooses to violate state election laws instead.

WFSE’s multi-year attempt to operate what amounts to a shadow-PAC outside the public eye runs directly counter to the FCPA’s proclamation that “political campaign and lobbying contributions and expenditures be fully disclosed to the public and that secrecy is to be avoided.”

We respectfully request that the you undertake a thorough investigation into these allegations and initiate an enforcement action to prosecute these violations. Please be aware that if no enforcement action is commenced by your office(s) within 45 days of the date of this letter, my organization intends to commence an enforcement action pursuant to RCW 42.17A.765(4).

Please do not hesitate to let us know if you would like us to clarify, expand upon, or further document our allegations in any way.

Sincerely,
