[param=Q0IUSUJTIDYwNA%3D%3D%3D%3D&year=2016&type=single](http://web.pdc.wa.gov/MvcQuerySystem/CommitteeData/expenditures?param=Q0IUSUJTIDYwNA%3D%3D%3D%3D&year=2016&type=single) Has not filed an update for their contributions (12/30/16) or expenditures (Nov 15, 2016) within the past 30 days. If I'm reading the rules correctly they are not in compliance with requirements. This group is producing mailers for a current levy as well as making signs. I would like to get current details on how much money they have raised and spent for the levy (we assume all activities post the Nov election). Can someone from your office look into this and respond at the earliest opportunity with information? Is this a violation and if not why not? When can we get an accounting?
