To Whom it May Concern --

It has come to my attention that Kelsey Hulse has committed additional violations of RCW 42.17A.

Hulse's campaign produced a video that failed to include the proper sponsor identification "Paid for by Friends of Kelsey Hulse" required by state law, specifically RCW 42.17A.320 (1). This is a violation. Here is the link to the video that violated state law: <https://www.facebook.com/votekelseyhulse/videos/358592647814098/> .

Additionally, Hulse never reported the production of this video as either an in-kind contribution or an expenditure. It must have been one or the other, and not reporting it as such is a violation. The video appears to have been released on November 3rd, so it is highly unlikely that Karla Davison's in-kind contribution of "media production" for \$750 corresponds to this expenditure.

Please investigate this immediately and take action against Hulse.

Best regards,

Glen Morgan
