Re: Alleged violation of RCW 42.17A.320

To Whom It May Concern:

This letter responds to the complaint from Mr. Glen Morgan that the Commission received on December 7. While my campaign was unsuccessful, I continue to try my best to comply with legal requirements as my campaign committee prepares to close. Mr. Morgan alleges that my campaign has violated certain reporting requirements. Below I address each of the alleged violations identified in Mr. Morgan's complaint.

1. Reporting sponsor identification.

My campaign, in coordination with a professional photographer, produced four online videos (attached). These videos were posted on the Friends of Kelsey Hulse Facebook page throughout October. During each video, I state my name and office sought at least once. Additionally, my name, office sought, and party preference is clearly shown for several seconds during each video (see attached guide). Because these videos were posted on the Friends of Kelsey Hulse Facebook page and I identify myself in each video, I believed the sponsor identification to be clear.

Due to the size of the videos, I can coordinate the best way in which to send each media file if the attached guide is not sufficient for the Commission's assessment.

2. Reporting video production.

On September 24th, I received the first of two-in-kind contribution notifications (attached) from a professional videographer. This contribution was reported on the first pre-general C4 report. The second in-kind notification was received on November 27. In preparing my committee's termination after losing the election, I overlooked the inclusion of second in-kind contribution in the post-general report. We appreciate the opportunity to correct this and will amend the relevant C4 report. Because the second in-kind contribution amount would put the vendor over the contribution limit, part of this invoice will be reported on Schedule B as debt.

Thank you for the opportunity to address Mr. Morgan's complaint. Please let us know if there is any further information we can provide.

Sincerely,

Kelsey Hulse
