PUBLIC DISCLOSURE COMMISSION

Enclosed is a copy of the 2016 cover letter for my F-1 disclosure statement. I returned the statement upon receipt of your letter dated July 6, 2016. This F-1 report was sent by E-mail on or about 7/7/2016.

I spend six (6) months traveling in my Motor home and did not receive the disclosure request until I returned home and found the July 6th notice. I immediately filled out the form on the computer and returned it by E-mail to pdc@pdc.wa.gov. If you did not receive it, I may have sent it incorrectly as I am not real proficient with a computer and would have no way of knowing if the E-mail went thru.

Enclosed is a current copy of my F-1 which I received here in Arizona. My 2016 and current F-1 are very similar since there has not been any major changes in income or assets.

Thank you for processing these documents

Sincerely,
George Spear
