

## File a Formal Complaint - Glen Morgan

[Glenmorgan89](#) reported 2 days ago (Mon, 28 Nov at 12:05 PM) via Portal [Meta](#)

To Whom it May Concern --

It has come to my attention that Jim Cooper has violated RCW 42.17A.335 (1)(c) in his failed bid for Thurston County Commission.

RCW 42.17A.335 (1)(c) reads, in part:

"It is a violation of this chapter for a person to sponsor with actual malice a statement constituting libel or defamation per se under the following circumstances:... .. political advertising or an electioneering communication that makes either directly or indirectly, a false claim stating or implying the support or endorsement of any person or organization when in fact the candidate does not have such support or endorsement."

Jim Cooper chose to list the endorsement of Allen Miller, on his endorsement webpage, when he did not have that endorsement. (See Attachment #1)

In fact, Allen Miller actually endorsed John Hutchings. (See Attachment #2)

Jim Cooper's listing of Allen Miller as an endorser of his campaign constitutes a violation of RCW 42.17A, and should be punished by the Public Disclosure Commission. It was not only wrong for Cooper to do this, it was also illegal.

Best,

Glen Morgan

# Thurston commission candidate has plans

*Allen T. Miller, Olympia*

Thank you, former Thurston County commissioner Les Eldridge and former secretary of state Ralph Munro, my campaign co-chairs, and the thousands of people who supported me. We ran a positive campaign, but were 45 votes short.

I will continue to lead the effort to perfect the historic Wilder and White and Olmsted Brothers' City Beautiful Movement plan for the state Capitol Campus by dredging and reopening Capitol Lake to swimming, improving the campus view corridor by removal of the blighted Capitol Center Building, and recreating the wild salmon run in Percival Creek.

The view from the campus across Capitol Lake was voted the No. 1 Wonder of Thurston County in 2011.

I will continue my leadership to diversify the economy and bring jobs to both the urban and rural areas of the county. I will also work with the judges and commissioners on building a new courthouse in downtown Olympia. I door-belled 10,000 households and these were the primary issues that concerned people.

I have endorsed John Hutchings in the general election since his views are more in sync with voters. This was a difficult decision, since I am friends with Jim Cooper and worked with him on the successful Olympia Metropolitan Parks District measure last year. But Jim's advocacy for an unconstitutional city income tax and to return Capitol Lake to mud flats is troubling.

After talking with thousands over the last four months, I am convinced that our state capital community is great and can be made even better. Vote Hutch!
