

## File a Formal Complaint - Glen Morgan

To Whom it May Concern --

It has come to my attention that the PAC "People for Thurston" has committed additional violations of RCW 42.17A and WAC 390.

### Background

RCW 42.17A.320 (1) reads, in part:

*"For partisan office, if a candidate has expressed a party or independent preference on the declaration of candidacy, that party or independent designation shall be clearly identified in electioneering communications, independent expenditures, or political advertising."*

Furthermore, WAC 390-18-020 reads, in part:

*"According to RCW 42.17A.320, sponsors of electioneering communications identifying a candidate who has expressed a party or independent preference on the declaration of candidacy must clearly identify the candidate's political party or independent status in the advertising."*

### Facts

The independent expenditure (attached) that was produced and mailed by "People for Thurston" failed to include the partisan affiliation for Kelsey Hulse (who they were promoting), and Independent Gary Edwards (who they were opposing).

This is yet another violation of state law. Jay Manning is a political veteran who is well aware of state requirements surrounding campaign materials,

I urge the PDC to investigate and take action against "People for Thurston" PAC for their multiple violations of state election law.

Best regards,

Glen Morgan

## Deputies accuse sheriff of political retaliation

Edwards says he's not punishing those who back his opponents

BY CHRISTY ALLEN  
 THE OLYMPIAN

The Sept. 6, the Friday after Labor Day, Thurston County Sheriff Ed Edwards' Deputy Merry Gaudrean will no longer patrol the lanes of Thurston County.

And last week, the county's other deputy patrol officer was assigned to a special duty.

Starting next week, Gaudrean will be demoted and assigned to a special duty. Edwards said he doesn't understand the decision to get all the major deputies on the roads while the labor law still holds.

But he said he doesn't know why the decision was made.

The supporting Ed Thompson for sheriff, Gaudrean said.

Should Gary Edwards represent — to Ed Thompson and Deputy Gaudrean — Edwards and his supporters are punishing deputies who are not supporting Edwards' bid for a fifth term.

Senior officers to bid.

Many deputies are afraid to come forward because they fear losing their jobs, said Gaudrean, a 14-year veteran.

"I just don't like the hatred and spiteful attitude," Gaudrean said. "They've been beaten so long, people are afraid to stand up."

Gaudrean said that's why he's going public.
