**RE: Party Preference (RCW 42.17A.320)**

I hereby acknowledge that I, DICK MURI, failed to include my party preference as  
(Printed Name of Respondent)

a 2016 candidate seeking re-election as State Representative on a political advertisement sponsored by my Campaign, in violation of RCW 42.17A.320.

I want to avoid the time and expense resulting from a brief enforcement hearing before the Commission. Therefore, I am completing the Statement of Understanding and enclosing a check or money order in the amount of \$150, for failing to include my party preference on a political advertisement after previously being warned on July 19, 2016, in lieu of a Brief Adjudicative Proceeding (Brief Enforcement Hearing) being held.

I understand that this will resolve all issues regarding my failure to include the party preference on political advertising sponsored by my 2016 campaign, provided that a check or money order for \$150, and this signed Statement of Understanding are received by Wednesday, May 24, 2017.

I further understand that the Commission will not hold a Brief Enforcement Hearing regarding my obligation to include the party preference on a political advertisement as described above.

Richard Muri
