

## File a Formal Complaint - Sam Jackson

**Sam Jackson** reported an hour ago (Fri, 4 Nov at 1:14 PM) via Portal Meta

Based on the publicly available disclosure reports, the committee "Campaign to Prevent Fraud and Protect Seniors" has apparently made contributions to another WA political committee, "Know Your Ballot PAC", without first having raised \$10 or more from 10 Washington state registered voters as required by RCW 42.17A.442. At the time of this writing the committee appears to have collected no contributions from registered voters.
