

File a Formal Complaint - Carolyn Crain

[Hazel_x2](#) reported 21 hours ago (Wed, 2 Nov at 11:32 AM) via Portal [Meta](#)

On approximately 10/15/2016 new 4 x 8 signs and newly designed yard signs were installed around the 18th district. These do not look the same as the others he had already put up.

On 10/22/2016 a mailer was received by voters in the 18th which was an anti-opponent hit piece which states paid for by his campaign.

In looking through his pdc reports I see no expenses reported for any transaction after the month of July whatsoever. In keeping with the laws all expenses should have been reported by now.

He is not in compliance with the pdc laws and appears to be hiding his donations since the funds available are not sufficient to cover such activity.
