

## File a Formal Complaint - Eileen Cowen

**Eileen Cowan** reported 4 days ago (Fri, 28 Oct at 10:48 AM) via Portal Meta

The commercial (link below) from the WEA for Monica Stonier has the words "re-elect" at the end of the commercial. Monica Stonier has never represented the 49th LD, thus cannot be "re-elected" to the district. The WEA is trying to make her sound like the incumbent, which she is not.
