

File a Formal Complaint - Kay Miller

Kay Miller reported 14 hours ago (Mon, 31 Oct at 5:51 PM) via Portal Meta

I wish to lodge a formal complaint for a mailing received at my home in the 44th Legislative District on or near Oct 24th, 2016. The mailing, which I have attached copies of both sides, clearly fails to identify Janice Huxford and Mark Harmsworth's Party preference.

I am requesting an investigation into this matter, and would appreciate NFIB being contacted immediately to stop producing unlawful advertisements.

I appreciate notification of your findings and actions/sanctions.

Respectfully, Kay F Miller

"For progress in the Legislature, voters should elect Huxford, who has the smarts and has done her homework."

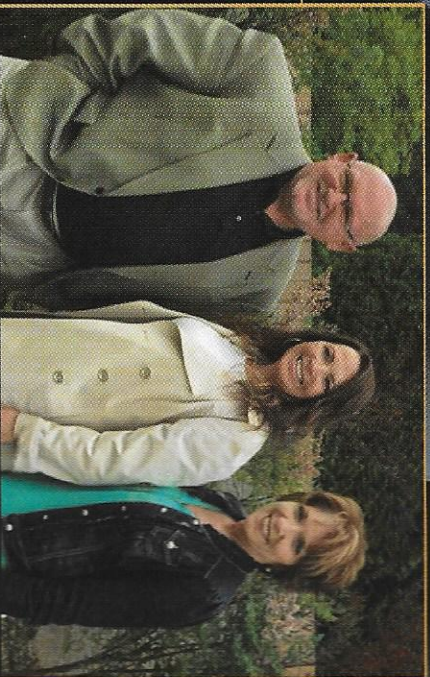

—The Seattle Times

WHY HUXFORD?

Olympia needs more small business owners, not career politicians, making key decisions affecting our state. That's why we are so proud to endorse a local small business leader.

JANICE HUXFORD

for State Representative

NFB members Steve and Betty Neighbors of Terra Services Inc met with Janice Huxford recently to discuss small business issues.
