Re: PDC Inquiry

In answer to your questions:

- April of 2016
- My best recollection is that I have known Pat Myers since 1994 or around there.
- I asked him.
- We met to set up my bank account and the online PDC requirements other than that, rarely.
- See above.
- I received them.
- I deposited it.
- I did.
- I did.
- Purchased and displayed yard signs.
- I don't subscribe to the Willapa Harbor Herald and so I was unaware that those advertisements were done until after they appeared in the newspaper and I did not have any conversations with him in advance.
- I thanked him.
- Publisher
- Donations: IBEW Union - \$500 and Dick Sheldon - \$500
- Disbursements: Chinook Observer - \$1345
Yard Signs - \$1950

I understand that this complaint was made by Ron Blume. I am wondering if this is an alias for my former political opponent in the Primary Election. His name is Ron Brummel.
