

File a Formal Complaint - Jared Petersen

Jared Petersen reported 14 minutes ago (Fri, 29 Jul at 1:36 PM) via Portal Meta

I would like to file a complaint against Eric Geary, who is a candidate for Yakima County Board of Commissioners, District #1.

Mr. Geary has failed to file required Public Disclosure Commission financial reports in the time and manner required by state law and, as such, is preventing Yakima County voters from knowing who is contributing to his campaign and how he is spending those contributions.

Thank you for your prompt consideration of this complaint.

Sincerely,

Jared Petersen

Finance Chair for the Committee to Re-Elect Mike Leita (R) Yakima County Commissioner #1
