

File a Formal Complaint - Iman Ali

In the 2015 election for SeaTac City Council, the following people were candidates for positions on the City Council.

Rick Forschler
Peter Kwon
Erin Sitterly
Mike Seifkis

A mini-documentary was made after the election by a group of campaign supporters for these four candidates. This can be viewed at the following link:

In this video, at about the 9:30 time stamp, one of the apparent leaders of the campaign, Doug Basler acknowledged the:
"King County Republican Party that donated their phone bank, almost unlimited, to which they [the above candidates] took great advantage of that."

I couldn't find where any of these candidates claimed/reported this donation on any of their PDC forms. I believe this is a PDC violation.

Thank You.
