

File a Formal Complaint - Steve Ericson

Fh reported 3 hours ago (Wed, 13 Jul at 10:56 AM) via Portal Meta

People For the Fairgrounds is campaigning to pass a levy for the South Whidbey Port District. Numerous quality printed signs have been publicly distributed. At least one mailing has occurred that was sent to (at least) one of the 3 zip codes within the Port District. Based on information on the mailing itself, it appears that it was jobbed out to a company in Kentucky. I do not believe that it is possible to have done the sign printing and mailing and still remain under the \$500 reporting threshold.

Preserve the Fairgrounds

Vote YES on August 2nd

Neighbors:

With a **YES** vote the Port of South
Whidbey will preserve and maintain
the Fairgrounds and provide a
financial foundation that has not
been available in the past.
