Subject: PDC case: 5525

Dear Mr. Rasmussen:

The Public Disclosure Commission (PDC) has completed its initial review of the complaint you filed on May 29, 2016. Your complaint alleged that Rudolph Guidry may have violated RCW 42.17A.555 by using public facilities to support a political campaign.

As a result of staff's initial review, we found the following:

- The Prairie High School Jazz Band, Rudolph Guidry, Director, performed at the Eileen Quiring fundraiser on May 25, 2016. There is no indication the band solicited for or contributed to the candidate.
- Mr. Guidry allowed the band to perform at the event, and claims that when invited to perform he was unaware it was a campaign fundraiser. Afterwards he sent an email to the student participants and their parents apologizing for his lack of oversight.
- Neither Rudolph Guidry nor the Prairie Hills High School Jazz Band have previous violations of PDC laws and rules.

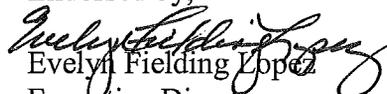

Based on these initial findings, I have determined Mr. Guidry's failure to inquire about the nature of the event, and performance, do not amount to material violations requiring further investigation under these circumstances. In accordance with PDC practice, Rudolph Guidry will receive a warning letter, reminding him of the need to follow PDC laws and rules. The PDC has closed the matter.
