

File a Formal Complaint - Chris Prothero

[Cw.prothero](#) reported 12 hours ago (Wed, 1 Jun at 7:27 PM) via Portal

On May 25, 2016, Clark County Council District 4 candidate Eileen Quiring held a fundraising event called "Jazzing It Up" which features the Prairie High School jazz band. This action is not permissible under RCW 42.52.180.

Ms. Quiring has publicly admitted to the infraction and can be found [here](#). If the link does not work or the post has been removed, I have attached a screen shot of the post.

With the number of elected officials, past and present, that were involved, there is no way that this infraction could have gone unseen prior to the event.
