Subject: PDC case 3168, Written Warning

Dear Secretary Wyman:

Enclosed is a copy of a letter sent to Amy Bowhay concerning a complaint filed with the Public Disclosure Commission (PDC) on February 22, 2016. The complaint alleged that your campaign campaign violated RCW 42.17A.560 by scheduling campaign fundraiser events during the 2016 legislative session.

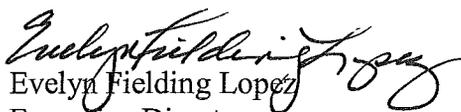

Thank you for taking corrective action and bringing your campaign into compliance with PDC laws and rules by cancelling the fundraising events and removing the solicitations from your website.

In accordance with WAC 390-37-060(1)(b), this is a Formal Written Warning for solicitation of campaign contributions during the 2016 session freeze. If there are future violations of PDC laws or rules, the Commission will consider this Formal Written Warning in deciding on further Commission action.

As noted in the letter to Ms. Bowhay the PDC will not be conducting further investigation into these allegations.

If you have questions, you may respond to this email.

Sincerely,

  
Evelyn Fielding Lopez  
Executive Director
