WASHINGTON STATE PUBLIC DISCLOSURE COMMISSION
COMPLAINT FORM

(See instructions on the last page.)

Description of Complaint

1. RESPONDENT:

Identify who you are filing a complaint against and provide all contact information you have for them. Give names and titles, if any, for individuals, and the full name of any organization. Please note that the PDC does not enforce federal campaign finance laws or local ordinances.

Example #1: Joe Public, Mayor of My Town,

123 Main Street, Your Town, State, Phone: 555-123-4567, Email: unknown

Example #2: The Political Action Group (instead of P.A.G.), 123 Main Street, Your Town, State,

Phone: 555-123-4567, Email: pag@pag.org, Website: www.PAGwashington.org

State Senator Ann Rivers, 18th District

PO Box 957 La Center, WA 98629

email annrivers18@comcast.net

phone 3609313403

2. ALLEGED VIOLATIONS:

Explain how and when you believe the people/entities you are filing a complaint against violated RCW 42.17/RCW 42.17A or Title 390 WAC. Be as detailed as possible about dates, times, places and acts. If you can, cite which specific laws or rules you believe were violated. Attach additional pages if needed. (Note that the RCW 42.17 citation applies to conduct before 2012 and the RCW 42.17A citation applies to conduct on or after January 1, 2012.)

Sen. Rivers has been showing approximately \$200,000 in her account for several months. A review of her account shows that her amount of money increased during the legislative session of 2014. Her C4 dated 02-05-2014 shows that she had a cash total of \$7050.

Sen. Rivers' C4 of March 8, 2014, shows the same.

On Feb 10, 2015, multiple forms, both C3 and C4 were filed, approximately 30 forms total.

The last C4 filed that day indicated that somehow, in the time period showing \$7050 and the first C4 filed Feb 10, 2015, her cash total increased approximately \$175,000.

That money could not have come from her surplus account, which has not exceeded less than \$30,000, and if every one of her donors had provided even \$1000 each, she would still have far less than \$100,000

Evidence and Witnesses

3. EVIDENCE:

List the documents or other evidence you have that support your complaint, if any, and attach copies to this form. If you do not have copies, provide any information you have about where you believe the documents or evidence can be found and how to obtain it. Attach additional pages if needed.

Example: *Emails between Joe public and Candidate X, attached OR*

Joe Public has emails from Candidate X which describe an illegal campaign donation, and Joe Public's phone number is 555-123-4567.

The evidence is available for review on the PDC itself: merely reviewing the paper documents themselves, particularly from the time frame of 1 Jan 14 to March of 2015.

This account is a mess. Sen. Rivers shows by far the most money collected for the 2016 legislative race, showing \$206, 806 while the next closest legislator is at \$133,169 (Rep. Macewen)

The number, according to a local forensic accountant, is not even close to what she actually has and has actually received.

I previously called the PDC and talked to a female investigator who gave a cursory look at the paperwork and was the one who pointed out to me that whatever the problem was, it apparently started on Feb 10 of this year. I told her I wasn't interested in filing a formal complaint as long as this situation was addressed.

Several weeks later, there has been no noticeable change in Rivers' account.

4. WITNESSES:

List the names and contact information, if known, of any witnesses or other persons who have knowledge of facts that support your complaint. Attach additional pages if needed.

Example: *Jane Public was present when Candidate X spoke to me about the illegal contribution. Jane Public's address is 123 Main Street, Your Town, USA 12345, and her phone number is 555-123-4567.*

Subject: Notice of formal complaint, PDC Case No. 2495

Dear Senator Rivers:

The Public Disclosure Commission (PDC) previously notified you that Kelly Hinton filed a complaint against the 2016 Friends of Ann Rivers Campaign for re-election as State Senator in the 18th Legislative District. PDC staff reviewed the complaint and the allegations listed in the complaint, queried the PDC Contribution and Expenditures database, and reviewed the Campaign Summary Contribution and Expenditures reports (C-4 report) and Monetary Contributions reports (C-3 report) filed by the 2016 and 2012 Friends of Ann Rivers Campaign for State Senator (Campaign).

Specifically, the complaint alleged that your 2016 Campaign disclosed that the cash on hand balance in the bank account during much of 2014 and 2015 was "approximately \$200,000...Her C-4 dated 02-05-2014 shows that she had a cash total of \$7,050." Staff's review found that on February 10, 2015, your Campaign filed a number of late C-3 and C-4 reports for most of calendar year 2014, which included the following:

C-3 reports September through December 2013:

The Ann Rivers Campaign timely filed nine C-3 reports disclosing \$7,050 in monetary contributions that had been received and deposited during the period September 12, 2013 through January 12, 2014.

February 2014 C-4 report:

On March 8, 2014, the Campaign timely filed the February 2014 C-4 report disclosed \$7,050 in total monetary contributions received (no new contributions were received during the reporting period) and a total of \$6,548 in expenditures made with \$2,122 in new expenditures.

March 2014 C-4 report:

On February 10, 2015, the Campaign filed the March 2014 C-4 report disclosing a total of \$182,221 in contributions received on line #1 (no new contributions were received during the reporting period) and no expenditures, with a cash on hand balance of \$182,221.

Friends of Ann Rivers
PDC Case No. 2495
Page 2 of 2

December 2015 C-4 report:

On January 10, 2016, the Campaign filed the December 2015 C-4 report disclosing a total of \$245,736.17 in contributions received on line #1, plus \$9,350 in new contributions received, that no expenditures had been made and a cash on hand balance of \$252,086.

- Staff's query of the PDC database indicated that as of February 1, 2016, the 2016 Ann Rivers Campaign disclosed receiving a total of \$80,205 in monetary contributions dating back to October of 2013, and \$6,548 in expenditures made dating back to October of 2013.
- Staff reconciled your Campaign's 2016 C-4 reports and it appears when you filed the C-4 reports on February 10, 2015, you somehow included your 2012 total contributions of \$182,221 into the previous cash and in-kind contributions totals on line #1.
- The \$80,205 in monetary contribution in the first bullet should have been listed on line #8 of the January 10, 2016 C-4 report, and \$6,548 should have been listed on line #17. Thus, your 2016 has been overstating monetary contributions by \$182,221 for almost two years.

Late filed C-3 reports:

On February 10, 2015, the Campaign filed 13 new C-3 reports disclosing \$21,085 in monetary contributions that had been received during the period of May 8 through November 13, 2014. The C-3 reports were filed by the Campaign between 63 and 246 days late.

Based on the facts listed above, PDC staff is opening a formal investigation concerning the allegation that you failed to timely file C-3 and C-4 reports disclosing contribution and expenditure activities undertaken by your Campaign. The complaint has been assigned PDC Case No. 1962.

Staff is requesting you take the necessary corrective action, including filing new and/or amended C-4 reports to correct the overstated contributions total as soon as possible. Please contact PDC Customer Service Filing Specialists Chip Beatty at (360) 586-0616 (chip.beatty@pdc.wa.gov) or Jennifer Hansen (jennifer.hansen@pdc.wa.gov) at (360) 586-4560 for assistance in filing the reports.

Staff is also requesting that you provide a written response to the allegations listed in the complaint, the late filed C-3 and C-4 reports, and the reporting discrepancies listed above no later than February 24, 2016. Thank you for your prompt attention to this matter, and please let me know if you have any questions.

Sincerely,

Kurt Young

Exhibit No. 10

March 2014 C-4 report: The Campaign filed five C-4 reports for March of 2014, three of which contained different contribution or expenditure information as follows:

- The initial C-4 report was filed by the Campaign on February 10, 2015, disclosing \$0 in contributions received or expenditures made, with no outstanding liabilities owed. The C-4 report incorrectly listed \$182,221 in total contributions received and cash on hand, which included the total contributions carried forward from the 2012 Campaign.
- A new March 2014 C-4 report was filed by the Campaign on February 28, 2016, disclosing \$0 in contributions received or expenditures made, but listing \$2,343 in outstanding liabilities owed to Bank of America (BOA) for several expenditures made on a credit card that included \$1,280 to The Heathman; \$700 to Youth Efforts Against Hunger (YEAH); and \$363 to AT & T Wireless.
- An amended March 2014 C-4 report was filed the Campaign on May 17, 2016, disclosing no contributions received, a \$363 expenditure to AT & T Wireless (partial BOA payment), \$0 in liabilities owed and corrected the Campaign totals to reflect \$7,050 in total contributions received and \$7,127 in expenditures made.

April 2014 C-4 report: The Campaign filed six C-4 reports for April of 2014, three of which contained different contribution or expenditure information as follows:

- A new April 2014 C-4 report was filed by the Campaign on February 28, 2016, disclosing no contributions received or expenditures made, and listing \$3,843 in outstanding liabilities owed to BOA for expenditures made on the credit card that included \$1,280 to The Heathman; \$750 to the Clark County Skill Center (CCSC); \$725 to the Clark County Republican Party (CCRP); and \$700 to YEAH.

Subject: Thank you!

Dear Kurt,

Thank you for the letter detailing the work your office has done. I want to assure you that the necessary corrective action is underway and it is my intention to have any issues resolved no later than Feb. 29. The information you provided has already proven to be extremely helpful in providing clarity to this situation.

As you may be aware, in early 2014 my long-time compliance professional retired. I discovered late 2014 that the professional I hired after her was not doing the job. As you are no doubt aware - and I am now keenly aware - starting your ORCA storall over from scratch mid-campaign is fraught with obstacles; potentially the biggest being that unless the previous compliance professional voluntarily provides the files they've been keeping (including passwords), you are starting with no information including balances and history. This experience has proven to be a learning experience. My new compliance professional and I have tightened our processes and feel confident this issue has been put to bed.

The late reports were an attempt by my new compliance professional, hired at the beginning of 2015, to get my reports caught up. She mistakenly entered an incorrect cash total from a C-4 at the end of the 2012 Election reporting (in 2013) which is how the \$182,221.17 difference started. She did not have access to my campaign bank records at the time so she had no context for how far off that number was; she now has access to my bank records so she can verify the numbers independently.

You stated in your letter dated February 10, 2016 that the PDC had previous notified me of a complaint filed against me. I have never received notification of that, or any, complaint. The complaint you reference was the topic of a local "blog" and brought to my attention by a constituent. My compliance professional and I proactively reached out to the PDC this past fall in an effort to resolve the issue without the benefit of knowing the details of the complaint. It has been my intention to remedy any issues and again I appreciate the time and effort the staff at the PDC has spent reviewing this. I would still be interested in receiving the original complaint, and if it was sent to me - to know at what address - since I did not receive it.

It's a shame that what was intended to be a tool for public transparency has turned into a political weapon. I know that there are those who will attempt to use this episode as a "gotcha" when it is

truly a case of human error and trying to work with less-than-user-friendly computer program. If you have additional questions, I am happy to answer them.

Thank you,

Ann Rivers

Kurt,

Just to clarify, Fred Rivers is my treasurer and he does not file my PDC reports (nor has he ever).

To address your specific questions of:

- Did your treasurer inform you whenever she filed a C-3 or C-4 report?

No, the notification was the PDC email receipts.

- What was the process and your involvement concerning the campaign finance reporting?

I submitted deposits and expenditures to my compliance professionals so they could complete reporting.

- Did you review the C-3 and C-4 filings submitted by your treasurer, either prior to being transmitted electronically or after being filed?

No, because of the electronic nature of filing, I didn't think it was possible

- Did your treasurer reconcile the ORCA contribution and expenditure information with the campaign bank statements on a monthly basis, prior to being made aware of the complaint?

I thought so but am now doubtful. My current professional is doing this.

- Has your current treasurer worked for other candidates or political committees as a treasurer?

Yes

At this time my reports are up-to-date and have all been corrected. As I have mentioned previously, in early 2014 my long-time compliance professional retired. I discovered late 2014 that the professional I hired after her was not doing the job. Taking over compliance reporting mid-campaign was further complicated when the previous compliance professional refused to provide their ORCA files and password, which meant recreating the entire campaign from the beginning. This has proven to be a learning experience. My compliance professional and I have tightened our processes and feel confident this issue has been resolved and will not recur.

I want to reiterate that I did not receive notification of any complaint from the PDC prior to the February 10, 2016 letter you sent. This past fall I proactively reached out to your office as the result of a local "blog" brought to my attention by a constituent. At that time my compliance professional and I attempted to resolve the issue without the benefit of knowing any of the details of the complaint.

This has been a great lesson in seeing the PDC work as it was intended - a tool for transparency. I sincerely appreciate the local watchdog who brought this to your attention as well as the time and effort the staff at the PDC has spent reviewing this and aiding in the ultimate resolution. There is no benefit for me to have inaccurate reports. I'm truly thankful that our state has a system with such effective checks and balances.

If you have additional questions, I am happy to answer them.

Thank you,

Ann Rivers

Subject: Re: Request for additional information; PDC Case No. 2495

Kurt,

The following is in response to your request for more detail on some campaign expenditures.

• **A \$6,610 expenditure to Junior Livestock Auction on August 15, 2015 for FFA/4-H.**

My legislative district is largely rural and very engaged in FFA (Future Farmers of America) and 4H. The Junior Livestock Auction (JLA) is held every year at the Clark County Fair – after the kids have shown their animals at the fair and competed for ribbons, they sell their market animal. I am planted in the stands for the entire day as the parents, grandparents, business leaders, and other community members come and go with each new classification (from chickens, rabbits, and geese to goats, hogs, and cattle). All in all, thousands of people pass through the auction on JLA day. I bid on many of the animals (and sometimes win some) – each time I bid, the auctioneer calls out “ANN RIVERS!!” by the end of the day, thousands of people will have heard my name and associate it with someone who cares enough about the success of kids to stay all day and offer financial support to hard working kids. I have received campaign donations from business leaders who attend the event and like my priorities and am often stopped in the grocery store by constituents who I don’t even know who ask if I will be at the auction again.

When I do win an animal, I have donated it to YEAH (Youth Efforts Against Hunger) who collects the meat after processing it and delivers it to the Clark County Food Bank. The Food bank has a media event where they announce the amount of meat donated by YEAH each year and the largest donors are invited to attend. I have received earned media for my donations to the food bank. I do not consume the meat purchased at the JLA, 100% is donated to the Clark County Food Bank to feed the less fortunate in our region. I think I am up to some 2500 pounds of meat donated.

Additionally, there is an opportunity to lend support to kids who have worked hard but who did not win a ribbon for their animal – these are called “Add Ons”. If a young farmer markets me during the year, I do add ons. Over the years, I have been heavily marketed so I do many add ons.

• **Two expenditures to the Clark County Skill Center totaling \$4,525, that included: (1) A \$3,525 expenditure on May 16, 2015, for an event sponsorship; and (2) A \$1,100 expenditure made on December 12, 2014 for marketing and event sponsorships. What were the two events? What marketing services were provided to the campaign?**

The Clark County Skills Center Foundation must raise funds to complete its educational mission since state funding has not kept pace with CTE (career & technical education) funding because of the increased demands of funding Basic Education. The events that they host are fundraisers (Spring Gala and another event in the winter that is smaller and is a meal prepared by the culinary students and served by the hospitality students). As a result of my sponsorships, my logo is placed on marketing materials for the event & at the event and I am afforded the opportunity to speak to those in attendance. The winter event boasts about 350 people and the spring gala is 800-1000 people. Again, people from these events have hosted

fundraisers for me as a result of my support for the Skills Center and I have had high profile contact with groups of people who I otherwise might not have.

· **Two expenditures to the Salvation Army totaling \$3,000, that included: (1) A \$2,000 expenditure made on December 12, 2014 for marketing and event sponsorships; and (2) A \$1,000 expenditure made on November 9, 2013 for marketing and event donation. What were the two events? What marketing services were provided to the campaign?**

I became the primary sponsor of the Salvation Army – Washougal fall fundraiser several years ago. The sponsorship is 1,000/event & the donation made on December 12, 2014 was for the '14 event AND the '15 event. The organizers requested early support so that they could better organize for the '15 event. This event is in a far flung part of my district that I normally wouldn't have contact with but allows me an opportunity to have contact with about 200 people who are active in their community. My sponsorship includes logo on marketing materials and stage time to address the attendees. My numbers in Washougal have improved noticeably since I began to do this event.

· **Three expenditures to Bank of America, two in 2014 and one in 2015, totaling \$9,905. What were the expenditures for, was it to make a credit card payment? Was it your personal credit card or one issued to the campaign? Please describe purpose of the expenditures made to Bank of America and the services provided to the campaign for the expenditures.**

The expenditures were to repay campaign expenses to a personal credit card. We have since obtained a debit card on the campaign account that will be used in cases where the credit card would formerly have been used for campaign expenses. All expenditures, purposes, and services are complete in the PDC reports and have been filed in accordance to the direction provided by Jennifer Hansen.

· **Two expenditures to the Battle Ground School District totaling \$2,188, that included: (1) A \$1,314 expenditure made on August 28, 2014 for a field trip sponsorship; and (2) A \$874 expenditure made on September 4, 2015 for student transportation and marketing. What were the two field trip events? What marketing services were provided to the campaign?**

Both expenditures were to sponsor the 5th grade class of Captain Strong Elementary in a trip to Olympia – specifically the cost of the transportation. My logo was NOT used but all materials sent home to parents shared that I was sponsoring the trip raising name identification. Additionally, I received earned media from the Reflector Newspaper (the largest newspaper circulation in North Clark County) in the form of a story, and mention in the school district newsletter.

If there is additional clarification needed, please let me know. Again I appreciate the time the staff at the PDC has spent working with me on this issue. Since I have never been sent a copy of the original complaint, I'm unclear about what issues might still require clarification. At your convenience, can you please forward the complaint to me?

Thank you! Ann Rivers
