Dear Mr. Howell,

One month has passed following your last contact with PDC staff, promising to supply usable evidence to support your allegations concerning the Austin Bell, Holli Griffin and Jon Scherer campaigns. In that time, no evidence has been received. Without evidence of a material violation of the PDC's chapter of law, staff is unable to process complaints filed with the agency. Accordingly, we are taking no action on your November 18, 2015 complaint, and have closed our file on the matter.

If in the future you obtain evidence of possible violations, you may wish to submit the evidence as part of a complaint to the PDC. The evidence will be reviewed and may result in a formal investigation.

Please let me know if you have questions. Thank you.

Sincerely,

Tony Perkins

PDC Compliance & Enforcement Staff
