Subject: Re: PDC - Mosbrucker, Gina: Alleged violation of RCW 42.17A.330 for failure to use at least one picture of the candidate, taken within the last five years, in political advertising. (EY 18 Sep 18)

Description:

To Whom It May Concern:

The campaign has reviewed the complaint filed by Steve White and is thankful to the PDC for the opportunity to respond.

According to RCW 42.17A.330, campaign advertisements that use photography, must include at least one picture taken within the last 5 years. The photographs in question were all taken professionally between the years of 2014 to 2018, well within the time period permitted. The billboard photo mentioned in the complaint was taken in 2018.

The committee is happy to provide statements or invoice numbers if needed. A phone number and address can be provided for the photography studio as well.

Thank you and please let the campaign know if there are any other questions.

Best Regards,

Jason Michaud
