To Whom It May Concern,

Please accept this email as a response to the complaint referenced in PDC Case Number 41628. The complaint alleges that the Carolyn Eslick campaign violated RCW campaign contributions.

The complaint is regarding contributions reported as anonymous. The contributions in question were the proceeds from raffle fundraisers during multiple campaign events. Records were not properly kept when the tickets were sold. Since becoming aware of this complaint, our campaign treasurer, Cindy Zirkle, has been in contact with supporters with due diligence to track down how many tickets were sold to supporters in an attempt to properly report these contributions. The effort to correct the reporting is ongoing.

At no time was there an attempt to hide contributions from the public, rather, there was a misunderstanding of how to report these contributions. As has been stated, the

Please do not hesitate in reaching out to the campaign with any additional questions.

Sincerely,

Carolyn Eslick
