Dear Mr. Ragins,

I am writing to respond to the allegations against Spokane County Republican party.

Allegation One: For failure to include sponsor on a political ad, the ad in question was arranged, sponsored and paid for by Donna O'Leary and was not an event sponsored by the local Party.

Allegation Two: this was a meet the candidates' event and both democrats and republicans were invited but again, there was not party involvement

Allegation Three: Correct text size for the ad was determined by the event sponsor, Donna O'Leary and not a political party.

Allegation Four: Failure to identify who paid for the ad. Again, the ad was paid for by Donna O'Leary and I have forwarded copies of paid invoices to you.

I do understand that someone might attribute the candidate forum to a party as Donna O'Leary is a known member of Spokane County GOP but this was completely on her own with no financial contribution to the event.

Any concerns or questions can be directed to me at 509-535-4444, or my email at robin@sharpshooting.net.

Thank you,

Robin Ball
