What impact does the alleged violation(s) have on the public?

I described the incident like this. A fraudulent election campaign flyer was delivered to my mailbox. It attempted to steal my vote by asking me to vote for a person who is not registered in the campaign for Thurston County Commissioner. If I did, my vote would not count. This is a violation of RCW 42.17A.335 The person listed as Executive Director is Glen Morgan. The PAC listed is A Brighter Thurston County. The major contributor to A Brighter Thurston County is the Thurston Republican Party.

List of attached evidence or contact information where evidence may be found.

Flyer received in the mail by myself is attached

List of potential witnesses with contact information to reach them.
