File a Formal Complaint - Gary Reid

[Garyreid](#) reported (Tue, 23 Oct at 11:56 AM) via Portal [Meta](#)

The flier that came in the mail had an ugly photo of Tye Menser and said he is not a real progressive. It told me to write in a vote for EJ Zeta, who is not even running for County Commissioner. It came from a PAC called "A Brighter Thurston County," Executive Director Glen Morgan. It also claimed support from various labor organizations without their permission.

What impact does the alleged violation(s) have on the public?

The flier that came in the mail is an attempt to steal my vote by making it worthless. It had an ugly photo of Tye Menser and said he is not a real progressive. It told me to write in a vote for EJ Zeta, who is not even running for County Commissioner. This could steal enough votes from Menser to give the election to his opponent. Vote stealing or neutralization is against the law, RCW 42.17.335.

List of attached evidence or contact information where evidence may be found.

I threw away the flier.

List of potential witnesses with contact information to reach them.

I believe that our neighbor, Rosalie Romano, kept her flier. Her email is romanowwu@gmail.com
