

Complaint Description**File a Formal Complaint - Jon Martin McCallum**

My statement is true and correct.

What impact does the alleged violation(s) have on the public?

I am a registered voter in Thurston County. A fraudulent election campaign flyer was delivered to residents in Thurston County. It attempted to steal votes by asking me and others to vote for a person who is not registered in the campaign for Thurston County Commissioner. If I did follow the advice of the flier, my vote would not count. I believe in fair and open elections free of fraud. Please take the necessary action to address this voter suppression affront. Thank you.
