A mailer was received that appears to be from organizations such as FUSE, Planned Parenthood, Unions Etc. It is telling progressives voters to write in Nathan Schlicher.

I contacted Nathan Schlicher and he said this was a complete lie and he didn't authorize or have anything to do with this deceitful ad.

I certify (or declare) under penalty of perjury under the laws of the State of Washington that information provided with this complaint is true and correct to the best of my knowledge and belief.

# It's time to write in a real progressive.

"Nathan Schlicher is a doctor, a leader of government transparency, and was an effective champion of the 26th while serving his appointment in the Senate in 2013. As an emergency room doctor and an attorney, Schlicher is particularly well-qualified to expand access to health care and fight for healthier communities. Schlicher will focus on creating jobs, supporting mental health services, and increasing government transparency, particularly in the budget."
