[Jdrunningnut](#) reported (Mon, 22 Oct at 12:02 PM)

A mailer was sent out to voters in the 26th LD from Glen Morgan (Executive Director of WAProgressiveVotersforChange.com

1001 Cooper Pt. Road SW #140 Olympia 98502). The mailer has a picture of Nathan Schlicher and Connie FitzPatrick telling voters to write in Nathan's name. On the mailer it has three endorsements he received from running two years ago from aft, Planned Parenthood, Fuse and Washington State Labor Council. The are saying Connie is not progressive enough so write in Nathan's name. Nathan and the endorsers did not give their permission to Mr. Glen Morgan. The election is two weeks away and is voter manipulation. This will have an affect on this election. I have spoken with people who believed it and were going to write in Nathan's name. We don't need Russia to manipulate the elections. It is being done in the state of Washington by local people.

What impact does the alleged violation(s) have on the public?

It will affect how people will choose to vote in the 26th LD House of Rep. position 1.

List of attached evidence or contact information where evidence may be found.
