Quote: " It's time to write in a real progressive. 'Nathan Schlicher is a doctor, a leader of government transparency and was an effective champion of the 26th while serving his appointment in the Senate in 2013.....". Fuse is quoted as the source of the information on Nathan, however this information is from when he WAS running, not currently. The post card says "Write in Nathan Schlicher" even though he is NOT running this year. The information about Connie Fitzpatrick is not accurate. "Don't be fooled by fake Progressives" "Write in a real Progressive Nathan Schlicher"

**What impact does the alleged violation(s) have on the public?**

The mailer LIES about current endorsements, it confuses voters and the "write in candidate" Nathan Schlicher is NOT registered as a candidate [this year - he ran 4 years ago] .
