What impact does the alleged violation(s) have on the public?

I believe the impact to the 19th. Legislative District could be huge; that the right to vote has now been adversely affected by the very libelous mailer sent to my mailbox and that of many others. The lies and intent to fraud myself, my wife and the general public were done with mal- intent to sway an open public election and to fraud ourselves and the general public of the truth.

List of attached evidence or contact information where evidence may be found.

We have in our possession a mailer sent to our home via U.S. Mail.

List of potential witnesses with contact information to reach them.

Karen Olson.
