

Complaint Description**File a Formal Complaint - Paul Cereghino**

[Livestake](#) reported (Tue, 23 Oct at 9:31 PM) via Portal Meta

I received what appears to be a fraudulent political advertisement. It asked me as "a progressive" to vote for a candidate that is not running for the County Council. If I had followed the advice of the flier, my vote would have been discarded. The flier was paid for by the Republican Party of Thurston County and sent to me by Glen Morgan, of Tenino, who appears to be a conservative propagandist.

What impact does the alleged violation(s) have on the public?

Individuals who received the flier, and had supported EJ Zita in the past could have placed their vote for her rather than Tye Menser, and so their vote would be discarded, thereby supporting the incumbent Bud Blake. This is vote rigging.

List of attached evidence or contact information where evidence may be found.

I have the flier I received in the photo below.
