

Complaint Description

On or about 8/22/18, I received a phone call from 360-999-8076 claiming to be polling. Upon answering questions about this year's election for State House of Representatives, I found that I was actually being campaigned by Drew McEwen. His henchwoman made false claims that his opponent, David Daggett is opposed to the Second Amendment. She also falsely claimed Mr. Daggett is in favor of creating a state income tax. This is one of many flat out lies contained in this masquerading phone call.

What impact does the alleged violation(s) have on the public?

Spreading lies about his opponent creates an unequal playing field & prevents free & fair elections.

List of attached evidence or contact information where evidence may be found.

Phone records may confirm the robocall made from 360-988-8076 to my number.

List of potential witnesses with contact information to reach them.
