

Complaint Description

File a Formal Complaint - Larry Seaquist

[Larry Seaquist](#) reported (Tue, 16 Oct at 1:30 AM) via Portal Meta

Note the repeated, explicit link of Parks Commissioner John Patrick Kelly to parks benefits: "If you want playgrounds, trails and splash parks" This connection is reinforced by the water and woodlands photo on the obverse of the mailer.

What impact does the alleged violation(s) have on the public?

Misleads voters in a key area of the 26th Legislative District. Mr. Kelly is an elected KeyPen Parks Commissioner. By using his title, "elected Parks Commissioner," Mr. Kelly appears to be deliberately encouraging Key Peninsula voters to choose Mr. Young.

List of attached evidence or contact information where evidence may be found.

See attached photo, front and back, of recent campaign mailer.

List of potential witnesses with contact information to reach them.
