

PDC Complaint #42325

Dear Mr. Ragins,

The allegations of violating RCW42.17A.555 made by Mr. Seaquist are without merit and a political motivated complaint. Mr. Seaquist has also attempted to cause a disruption within the Key Peninsula Parks which legal council has addressed and also found his same claims without merit.

No Key Peninsula Parks or government resources were utilized.

My position as an elected official is to represent and advise my constituents to the best of my ability. My endorsement of Representative Young came without any promises or future consideration. It is my understanding that it is within my right to endorse any candidate I choose.

My endorsement was based on the qualifications and past performance of the candidate. He has already established himself in Olympia during multiple terms and is knowledgeable about the needs of the constituents I represent.
